On April 15th, 2024, as the Sunrisers Hyderabad (SRH) batsmen unleashed carnage against the Royal Challengers Bangalore (RCB) at the M Chinnaswamy Stadium in Bengaluru. SRH posted a mammoth 287/3, the highest total ever recorded in the IPL. Openers Abhishek Sharma and Kane Williamson laid a solid foundation, stitching together a 134-run partnership. Sharma smashed 87 runs off 42 balls, with 12 fours and 4 sixes. Williamson chipped-in with a well-paced 72. Rahul Tripathi, known for his clean hitting, scored 78 off 39 balls. His knock was laced with 7 fours and 5 sixes, showcasing some powerful stroke play. Captain Nicholas Pooran provided the finishing touches with an unbeaten 36 off 18 balls, ensuring SRH crossed the historic 280-run mark. The RCB bowling attack, known for its firepower, looked listless on the night. Mohammed Siraj and Josh Hazlewood, their pace spearheads, were expensive, conceding over 70 runs each. Yuzvendra Chahal, the spin wizard, picked up two wickets but leaking runs at an economy rate of over 9. Chasing a near-impossible target, RCB batsmen Glenn Maxwell and Virat Kohli tried their best. Maxwell scored a valiant 74, but wickets fell at regular intervals, putting the brakes on any hopes of a chase. In the end, RCB fell short by a massive 100 runs, succumbing to SRH's batting dominance.
