WORDS OF WISDOM

From the Academic Director's Desk...

“Develop a passion for learning. If you do, you will never cease to grow”rightly said by Anthony J. D'Angelo

Nirmala Memorial Foundation College has a proud mission for providing a world class education, celebrating the fact that each student is different, as a person and as a learner.

We believe that powerful learning and teaching occurs under a shared spirit of respect which creates a passionate learning experience recognized for its warmth, energy and excellence.

We foster a positive spirit and believe in partnership between students, parents, teachers and support staff striving to create a milieu that sustains excellence. Our distinction lies in the pursuit of high academic attainment through support, encouragement, praise and motivation.z

I cannot teach anybody anything, I can only make them think"-Socrates. Open mindedness, a multicultural orientation, independence, a global outlook, multiple intelligence's and abilities – these are the premium qualities needed today.

As a 21st century organization, the College desires to set an approach to learning that incorporates inquiry, research, analytical thinking and an ethical approach that becomes a lifetime habit. The students are helped to focus on confidence building, while nurturing a strong sense of social and environmental responsibility through academic and co-curricular activities as we believe, like Paul “Bear” Bryant that, “It is not the will to win, but the will to prepare to win that makes the difference”.

I strongly believe that education is a collaborative effort that involves professional administrators, committed teachers and motivated students. We dedicate ourselves as professional administrators in creating a dynamic education programme empowering the students in a global perspective. We are a group of diverse experiences and outlooks, committed to excellence in preparing learners for enriched opportunities worldwide. In short, learning at NMFC is a wholesome package of attitude, challenge and opportunity.

Ms. Sylvia Fernandes
Academic Director, NMFC

FROM THE PRINCIPAL'S PEN

Since its inception in 2003, Nirmala Memorial Foundation College of Commerce and Science continues to infuse the value of ethics, innovation and nation – building in students, teachers and all the other stakeholders. Quality in service, being the most prominent motive of the management, academic year 2019-20 started off with a head start towards the process for ISO certification and AQAR submission. The new 'Nirmalites' were given a warm welcome with an orientation programme and an energy packed Fresher's Party'. A trial of FDPs, Seminars, workshops for the benefit of staff and students have never been a new phenomenon for Nirmalites.

Besides academic excellence, hosting an in-house talent show 'Nirmala's Got Talent' and Intercollegiate Cultural festival 'Nirvaan 2020' to bring forth the creativity and flair for various skills of students was a proud moment for us.

The footprints of our students in community services are widely seen. From rendering help during the State Assembly elections,holding blood donation drive, setting up stalls to promote sales of village artisans, to reaching out to the underprivileged in remote rural village like Belwadi and providing water wheels to quench the thirst of the rural the NSS, DLLE and SRC students have done it all.

Academic excellence being our motto, academic sessions of teachers along with staff training programmes, remedial lectures for students and one to one counselling for students and parents were conducted to leave no stone unturned in helping out students of various learning abilities and strata's.

In order to provide the right academic infrastructure, the Newsroom (headed by veteran journalist. Mr. Abhay Mokashi), Photography Room and Wellness centre (Certified counsellor Ms. Arti Kedia was appointed to promote mental health among students) were the new additions to the already existing state of art infrastructure of the college. Under the guidance of Mr. Abhay Mokashi, the BMM students could successfully issue two newsletters providing a bird's eye view of the college activities.

As we inched closer to the end of academic year 2019-20, the lockdown due to COVID-19 pandemic was announced by the Government of India. However, keeping up with our vision to strive for excellence against all odds, our college organized 16 webinars to serve the learners as well as the teaching fraternity, an intellectual treat on varied subjects ranging from Media in the Covid-19 scenario to impact of COVID-19 on MSMEs and research methodology. We received an overwhelming response to all the events with great participation and constructive discussions by participants.

Taking up the responsibility of spreading awareness about COVID-19, our NSS volunteers, as well as the entire staff of our college, prepared an awareness video that was circulated to educate masses on care to be taken in this difficult situation. Our staff members also gave their one day salary to be contributed to the National Relief Fund for COVID-19.

We have entered into this new 'New' of teaching and learning armed with the best technology, strong will power and a determination to overcome this tough time with the remedy of awareness and guidance. Wishing you the best for the academic year 2020-21. Let us consolidate on our strengths to overcome this tough phase of life. After all, HOPE prevails. Stay safe. Stay strong. Stay updated.

Ms. Swiddle D'Cunha
I/C Princpal, NMFC

CHIEF EDITOR'S MESSAGE

"Destiny is not for comfort seekers. Destiny is for the daring and determined who are willing to endure some discomfort, delay gratification, and go where Destiny leads."

-T.D Jakes

Today as I present to you the second edition of our college magazine as The Nirmalite 2019-20, I can't help but recall events, incidences and the sheer effort put into this.

For me, my college magazine or for that matter any college magazine is the proper documented, curated and audited version of its dynamic life in the campus for that year. We had just a clear-cut motto – to make the college come alive in a book! With all the other departments and teams that worked day and night and with their sheer co-operation and co-ordination made this goal a reality. I am a true witness to the events and process which started months ago to drafting this copy. Everyone on board cheerfully brought their creative best, put forward their best game and made their small contributions shine bright cumulatively making the magazine a sum of wonderful efforts !

I believe in giving priority to extra-curricular in my life for my own personal growth and development. Taking baby steps one at a time, I came out of the bubble that I had created, which always hindered my enthusiasm to interact with the world artistically. Starting with small debates in my school, taking monitorship, I started to climb the ladder, I could break the ice when I volunteered and became an anchor in my 10th Grade Annual Day, since then , there was no stopping. Debating society, Literature club, Drama association, Personality pageants, Singing competitions and much more , everything I took part in made me more and more confident in life. And thus I must say, being a Chief Editor of this magazine gave me a bigger platform to experience new things like managing events, working with a team, analyzing raw data to derive meaningful conclusions, putting my skills to curate and create meaningful beautiful outputs, managing ideas, and even handling a team.

This wouldn't have been possible without the support of our college authorities, teachers and so many of my friends. I am indebted to all of them for providing me this opportunity and entrusting their confidence and believing in me, to put forth this collective work of ours in record time. I believe, as you'll go through the pages of this magazine, you will definitely reminisce about the bygone year and will be transported back to those beautiful college days.

Mr. Jashub Anthony
Chief Editor

FROM THE LENS OF THE DIRECTOR

'Life is like a photograph you must capture each moment of it by living it!'

When I joined Nirmala college in the first year, I always had an aspiration to be a part of college events and curricular and wanted to contribute to the college through my capabilities.

The year 2017-18 came as an opportunity that knocked at my door. I was selected in the production team of our intercollegiate festival Elaan, a ride which started slowely but gradually picked up it's pace. Seeing my dedicated role in the production team of Elaan, my seniors pushed me for another upcoming events and handed me more opportunities. These experiences taught me how to handle an event & how to make it successful and up to mark.

It was in Second Year that I started my new journey as a photographer, learning and honing my craft under my seniors. The intra-collegiate event Jazba 2018 opened the opportune doors for me as the HOD of photography, it enabled me to enjoy my skills and sharpen them. Finally, it was the mega festival Nirvaan 2020 that unleashed the real photographer in me. At this moment , as I am penning down my expressions as the Director of Photography in the annual college magazine The Nirmalite, I feel humble and proud at the same time. The amazing journey of last three years in college has taught me that one should always learn from one's failures because it helps us to learn better .

I am thankful to the College authorities, Principal, my department Coordinator, teachers and all my friends who were and are with me in the entire thick and thins that we keep on experiencing in our college life.

I also extend my loving thanks to my parents for their tolerance and also for providing me with all the resources while working in lockdown.

Nirmala College has not only taught and shaped me but has also made me a better person. Accomplishing the given photographic task and lending hand in completing this big work of making a magazine is truly one of the biggest achievements of my life.

Mr. Sarvesh Suryaji
Director of photography

NIRMALA'S GOT TALENT

NIRMALA'S GOT TALENT

NATIONAL SERVICE SCHEME

Project 1: SNEH ADHAR

The Poisar area is one of the slum pockets of Thakur Complex and most of the children from that locality go to BMC school. The children cannot afford to go for tuitions for extra coaching. Hence, our volunteers teach them every day at Shivaji Maidan. Our NSS Unit also conducted other awareness campaign for wellbeing of people staying at Poisar. Following are the various activities conducted by our NSS unit in this academic year.

1)PoisarTeaching

Regularly groups of 5-6 volunteers visited Poisar slum area (adopted area) to teach children following things:-

a) Maths b) GK c) English d) Stories

2) Polio Immunization drive with BMC

3) Skits spreading social awareness

4) Door to door awareness of Anulom app

5) Children's Day celebration

6) Diwali celebration

7) AIDS awareness campaign

8) Distribution of stationery and old clothes, bags etc.

- Visit to blind home and old age home
- Donations

Donation of water purifier to Z.P.School at Tanashi

Project 2: PRAKRUTI MITRA

Another area where the NSS unit gave attention was creating awareness about conservation of scarce resources. As issues relating to environment is increasing hence, to reduce the problem, certain eco – friendly activities were conducted to safeguard the environment.

1) Beach cleaning (Versova, Mahim, Gorai).
2) Distribution of cloth bag & paper bags.
3)Tie up with Bisleri for Bottles for change. -In this activity, volunteers used to collect plastics and give it to Bisleri. By the year end, 176 kg of plastic was collected.
4)Tree Plantation at Manori.
5) Skits were performed on topics like

- Water conservation
- Pollution

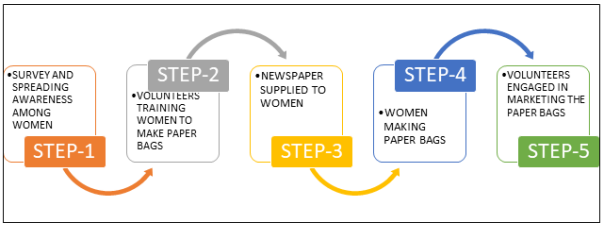

Project 3: SAKSHAM

The word "saksham" means self-reliant and thus NSS unit has taken efforts to make ladies of Poisar (adopted area) independent and self-reliant. The project started on the occasion of International Women's Day i.e 8th March 2019. Around 15 ladies were engaged at initial stage. Our volunteers gave training of making paper bags and the same was sold by our volunteers.

The projects had two objectives:
1) Empowering women by giving them earning source.
2) Promoting eco-friendly goods.

At present there are 10 women involved in this project and this selling of paper bags help them to earn around Rs 500/- on weekly basis. From 8th March 2020 we have started engaging women for making cloth bags.

• COLLEGE LEVEL ACTIVITIES

1) Blood Donation Drive

As every year, this year too a Blood Donation Drive was organised and all the stakeholders of the college actively participated into it. About 201 blood bags were collected. The activity was organised in collaboration with Meenatai Thackeray Blood Bank and Lion's club.

2) Stem Cell Donor Registry:

A Stem Cell Donor Registry Drive was conducted along with MDRI. Since, many students were unaware about it, a counselling session was done one day prior and doubts were also clarified. It motivated 162 Stakeholders to be a part of this registry.

3) Share with care (Kolhapur relief fund):

A share with care drive was organised in which an appeal was made to all Stakeholders of the college to donate their old clothes, stationery and other stuffs. Apart from old stuff Groceries, medicines and toiletries were also donated. The same was sent via Goonj NGO to Kolhapur.

Felicitation by various organisation

NSS CAMP-REPORT (2019 – 20)

The 7 days residential camp was organised at our adopted village i.e Belwadi from 30th November 2019 to 6th December 2019. Altogether, there were 50 volunteers. The camp had dual objectives,

- To contribute for the welfare of the villagers.
- To develop leadership Qualities & team building among volunteers

Thus, to achieve the planned objectives following activities were conducted:-

FOR VILLAGERS

a) Wall Painting at Z.P School

Volunteers were engaged in painting of School walls. A theme of Zoo and Aquarium was selected and the name of animals were also mentioned, which will help the children to remember the names.

b) Bandara Making

To increase the level of river water Bandara (bridge) was made out of sack full of sand. NSS volunteers were involved in filling of sacks and arranging it as a bridge. Generally, by the month of March the water is completely utilised, but this year they will be getting sufficient water till the month of June because of Bandara.

c) Session on Blind faith

The villagers had mentality of believing on black magic & Superstitions. To eradicate such views a session on blind faith was organised in co-ordination with ANIS (Andhshraddha Nirmulan Samiti). The session was organised for the students of Ashram School and around 150 students along with teachers witnessed the session. A practical experiments were also made to make students realise that there is no magic but just a trick implemented to attract people.

d) Distribution of Clothes and Games

The clothes, books, stationery, games and blankets were distributed to the villagers. All the villagers were glad to receive these things and children were happy to get games.

e) Training session for SHG's

Mrs. Parab , Assistant Professor of Fashion Designing course at SNDT was invited to conduct a Stitching session for women of SHG's. The women associated with SHG's had sewing machine but there was no one to guide them and hence guidance was provided to them to stitch skirts, blankets, cloth bags etc. Around 15 ladies took the benefit of this session.

f) Soak pit

"AFTER SCHOOL LIFE"

Today I feel lucky to share my college life experience.
I remember my first day in my college. I was so excited to meet people. I didn't know how I should behave with other people who previously belonged to other school.
College is not a place where we only go for studies. We enjoy it with friends and teachers like a free bird flying in the sky.
We had lots of fun in college. After having completed the school, we all are excited about the new chapter of our life.
This is the place where we faced lots of challenges such as university exams and other exams.
In college life, you not only meet good friends but also we meet some bad friends who teach us bad things. Such as bad comments on teacher and bunking the lecture and other bad things. We should avoid such bad friends.
Another life lesson you will remember that learning never ends.
Our college provides us with so many opportunities to grow our skills and develop ourself.
-Priti Gupta, TYBCOM

"College Life"

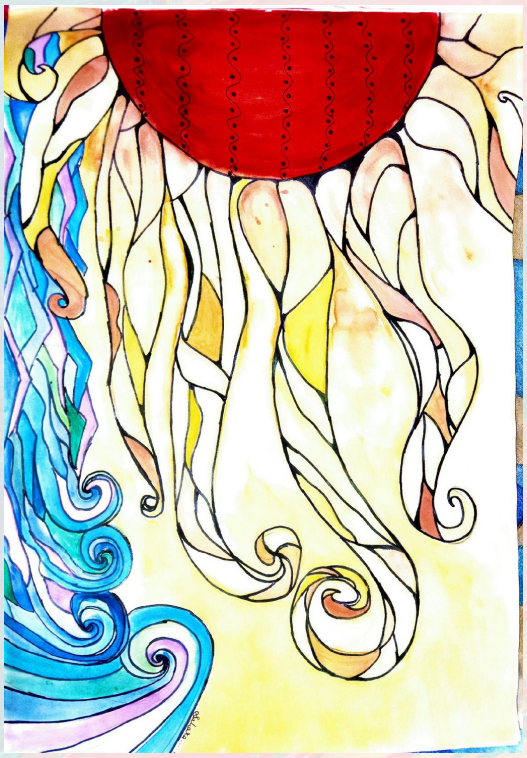

As a Caterpillar steps out of its cocoon
and prepares for the flight ....
That's a college life.
Stepping into a new phase ,
where one faces oneself...
We try to act mature by burying,
within us the little elf.
Thousands of words,
full of worth we learn...
Yet sometimes we are confused ,
which way to turn.
Lots of leisure, lots of pressure,
In midst of which ,
Some search for true treasure.
Lesson that makes us capable,
To take of our own flight,
that se college life.

"ETERNAL"

Was it all just a mistake by belief?
On clearing the roads to eternity,
Ravaging the source of relief,
Causing the highest fatality.
Love doesn't really sound good to me,
For it is too down to earth as a nature,
It burns you up when shut for long,
It burst you up when one is wrong.
Born was a child with much less luck,
Who came into whole little earth,
Expecting to be one big man.
Lost everything he loved for so long,
In sheer sheet, wiped his tears,
Stood up to prove everyone wrong,
That he was the man for far long years to come.

"The First Time"

For the first time,
the future is a risk,
uncertain and ominous.
A cliff above dark waters where,
I'm told to drive headfirst.
Eyes - close into icy depths,
Praying I'll know how to swim,
But for the first time.
The future is mystery,
New and limitless.
A story not yet written by the hands of fate,
And strangers passing by,
coffee shop patrons and the stray.
Cat crossing 5th street.
Perhaps this is the first time,
When the future is truly mine,
to find.

"THE COLLEGE WORLD"

The ideal college lifestyle dissipates quickly once the reality is reached. Many young adults imagine vivid pictures of what college might be like for them. However, once these young adults matures into independent men and women, and enter the college of their choice, they soon realize the reality of the college lifestyle. They must learn to adapt to their new surroundings as quickly as possible to accomplish the sought after degrees. Students come to the realization that life is not as easy as they might hope for. I used to believe that college life is filled with parties and typically a laid back lifestyle, for me it was the best and greatest day in college. I have noticed one thing that the world of the school is narrow and limited. The world of college is large. Teachers in schools are strict and use the rod to beat the boys very frequently. College teachers are like elder brother. Most of the teachers in a college live in the world of ideas and books. We have students of all kinds in a college. They discuss the current affairs, there are some acts going on in college along with art, cinema, sports and many other activities are going in our surrounding. In college I have seen that some student do not prefer books but they never miss the daily newspaper and some people were discussing political topic in class. There are a lots of freedom in college. In the school, I was busy from the first period to the last but in the college I attended 3 or 4 classes and even being late for the classes, I am not punished. In my college, there were committees like SRC, NSS, and Cultural committee who all work together and give the sign of unity.

They are the best. Teachers of our college gave the knowledge of not only the inside of world but also the outer world. I like the college life for its freedom, intellectual awakening and its various academic and extracurricular activities. I think that even after completing my education, I shall never forget the happy days I spent in the college.

"Those Days"

Those were the days which will be remembered.
Alarm was the first thing we had in the morning ,
Dressing up early felt so boring ,
Packed our bags with dreams and goals ,
Walked ahead being an open soul,It was our college life , which we treasured ,
Those were the days , which will be remembered .
Teachers where the strongest pillar of our life ,
They made us too tough to fall , too deep under the ground ,But not so high above the sky.
Wisdom was the something we took name everyday ,
Recalling the days of our college life , which were unforgettable ,
Those were the days , which will be remembered
There were friends ,there were families and then ,
There were friends that become family .
Those mates imprinted in our hearts that ,
Never diminished by time and distance ,
How lucky we were to have something that made saying ,
goodbye so hard ,
A trip back to those college days ,which were memorable ,
Those were the days which will be remembered .

“Tree Poem”

Tree at my window, window tree,
My sash is lowered when night comes on,
But let there never be curtain drawn
Between you and me.
Vague dream head lifted out of the ground,
And things next most diffuse to cloud,
Not all your light tongues talking aloud
Could be profound.
But tree, I have seen you taken and tossed,
And if you have seen me when I slept,
You have seen me when I was taken and swept
And all but lost.
That day she put out heads together,
Fate had her imagination about her,
Your head so much concerned with outer,
Mine with inner, weather.

"Someday"

Someday, someday ,someday you will always be the new person in a new place, someday you will be arms in arms with your new friends, you will see everything with Shiny scared eyes,
but don't you worry it will be better on side.
someday you might sit alone on the back,
someday you will create Havoc on crack.
it might be intimidating but this time is so fun,
that you will forget about the future to
enjoy today's sun. someday you will focus so hard in class, someday you will bunk to have rest surpassed.
This is after all fun games to do, but don't you let your studies go askew. Someday, some day we'll always go on, some day it might come to an end for all. never forget this or write it down in a diary, it will always be the memories that will keep you smiling.

"The Last Bench"

Sitting on the last bench, laughing with
the best friend
Fighting with each other, abusing one
another, it felt so great.
because,
Those days were so good, I can’t still forget those days,
Those days were so good; it feels like I am living,
Once again, on the last bench.
I realize, I was just dreaming,
Till I woke up, but it felt so real,
The memories of the last bench

"My Hair"

To my short hair
To the day I decided to chop of a chunk of it
I made myself a promise to not repeat any hair hack I did to make it look beautiful and pretty. But be okay with a little Bob, simply sliding on my face with holding up my grace.
I decided to be completely ok with, What I was even if little.
It is what I had of, all that I was.
To get rid of the exclamation pins and questions of hair clips With an answer of open hair with, no pony
tail pains and fear of losing a hair tie every time I gain. To set it free from the hair loss and change its partition every time I want
To let it be in my face and move it with grace
To be brave of having a grey strand and not coloring it in dying ,To be ok with the little flaws and the little Bob, thats what I had after all the story of my short hair said it all.

" Memories "

Cheers to the day I first met them,
Introducing each other we became a fam.
Never knew from then we'll be altogether,
For the years that paned the bond grew stronger.
From the lectures to the canteen,
And whatsapp to snapchat.
Laughing and giggling on the talks and memes,
Just going to college to meet those gems.
Lucky was the term you thought that time,
To have those friends in your life.
All the happenings leads somewhere my friend,
Just like avengers faced thanos in end.
Life is all about catching your train,
Different will be the destinations,
Never pull that blue chain.ng

"Life"

For most students commerce entering college is a terrifying and an overwhelming experience. It's a case of when the fear of the unknown is the greatest fear of all. We don't know if we adjust to a place where every single student has to stand on their own two feet and take responsibility for our education and future. This transition from high school to college is the most significant in our lives. Sadly, some college students believe that college is only about finding a job. I admit I was one of those students. But my college experience has helped me realise that colleges about finding yourself former who you are as a real person and the type of person you want to be. In high school, I had no clue what Path I should take. Should I go to college, join the military or continue to work? Altering decision that kept me awake for many nights. I had decent grades and my classmate Haider admired or joked about how smart I was. But I felt that it wasn't for me. I didn't know what I wanted to do with my life and because I am part of the 2019 generation, paid more attention to what was happening in the world. I came close to enlisting in the army until I found out physically couldn't. College seemed like the logical choice. Until two people close to me were left in HSC because they failed. The last thing on my mind was my future. My grades left my spirit broken and my life tone apart. I am now managing to complete my college and graduated, but didn't believe college was the answer to my problems. College experience can give us great as well as achieving spirits and moments.

"What's College?"

I still remember the words of my grandfather generously saying, "The experience gained from the school life will teach you what life ought to be by bringing you in the realm of dreams while the experience gained from the college life will teach you what life is by bringing you in the realm of reality". I would also like to bring this to your observation that my grandmother had met my grandfather during their school days though my grandfather was a Cassonova kind of a person. In my childhood days while our bedtime, we both argued a lot over school life and college life. my grandfather used to support the school life experience while I used to support the college life experience though I was living in my school days. My grandfather used to always tell me that is good when the kite is still attached to a string. He used to give various analogies. Finally the day arrived when I entered the college my first day. Each and everyone of us weights fun this day during our childhood. I had heard that college is a place where a group of strangers meet that turns out to be a beautiful family at the end. Talking to strangers was quite difficult and during the first day of my college I wished that my school friends were there with me. Eventually the strangers turned into friends accordingly. Additionally I realised that the college life had no barriers, we were free from our Bondages. Getting out of a class during a lectures was no longer an actual punishment for the students used to be happy rather than embarrassed. The teachers were no longer considered as mothers rather a boring news reporter. Some days the class of 80 students would just have five students as we learnt a new and that is bunking.Later on I realised and reconnected the analogy given by my grandfather regarding the kite when I came to the conclusion that sometimes, limits has to be there and that it's good to be tied up sometimes so we don't lose hold of the pillar. Like my grandfather, I was expecting to find a grandmother for my grandchildren but unfortunately I couldn't.

Dhwani Soni, FYBAMMC

. Yes I did find friends however they were like the granules of sand in the hands when held tighter they all fell away. Eventually I realised during my first and second year that if you have a well-known Fame with the branded name everyone will treat you like a king custom I started to realise that the days when I use to assume how college life would ought to be wasn't actually the one it should be. As my college days were coming to an end, I started to conclude that my grandfather was right in those arguments. Temporary friends coma freedom from bondages is accordingly were all the truth about the college life However still my old school friends call me and vice versa sharing experiences of our college life. The saying is quite true, Old is Gold!t

Speak some truth if you spare
for what is life when all you lived for was LimeLight
Nice faces get you crying
sometimes the Ugly over bring out the smile because
what you see in what you look for and
you shall find disgust yourself with judgements and
judge an angel for his life.
Because that's what you look for

"LIFE IN LOCKDOWN"

The demons are trapped The angels are free
The life they
thought they'll never see.
The tables have turned,
the world has changed,
It's getting better and better
day by day.
The beautiful creatures are autonomous to
come out of their hiding place. The world has
stopped
On the verge of a catastrophe,
but there are still
people unaware of the humanity.
Many have died,
Many have survived,
Millions have cried,
Waiting for this fiasco to cease.
But overall of this, this pandemic has been a
blessing for our mother nature. She is becoming
beautiful day by day She has taken
matters into her own hands
to make the world a better place.
Life in lockdown is a bliss
You can learn new things,
You can flourish
your inner qualities,
You get to spend
more time with your loved ones,
You can be something
from nothing, You can fulfill the
list of your desires. Consider yourself
lucky if you're sitting at home safe
because there are people who are jeopardising
themselves to keep us
safe. They are our heroes.
We should respect them by staying at home and
staying safe

"The Ghost Cave"

I was lying on my bed watching a youtube video. I glanced at the clock on the wall in front of me. It was 12'o clock. It was getting late and I had to go to the college the next day but i still decided to watch the whole video. I immediately went to sleep after watching the video. The next day I woke up because my sister was making a lots of noise. She didn't want to go to school so she was crying. I got out of my room and went downstairs. I brushed my teeth, took a bath and had breakfast, changed my clothes and left for college. I was a little late for college. We had five lectures that day but the teacher for the fifth lecture was not well so she was absent. My friends and I decided to hangout a little bit and have fun. We decided to explore a little bit. We didn't knew what was behind the college building, so we decided to check it out. There was a small road behind the college which was empty. There was no one there and it was a little spooky. But we decided to check it out. We were walking on that small road. There was nothing much there but my friend noticed a little cave at a distance. We were really excited and scared at the same time. We decided to explore the cave. It was really dark in there so we decided to turn on our mobile phone flash. We were really scared but we decided to go further inside the cave. There were really scary drawings and graffiti drawn on the cave walls. Some of the text on the cave wall said 'WARNING! DON'T GO FURTHER' etc. There were mice everywhere. We were going deep in the cave. So we were already very scared and suddenly we heard a loud scream of a girl. We freaked out and started panicking. The voice seemed to be coming from outside but we were not sure. We went further in to see where the cave ends. We were walking really slowly and carefully when I suddenly saw something running at us. I screamed but it turned out to be a black cat which ran out of the cave. We thought it was a ghost cave and were really scared. We went further inside the cave only to find out that there was a small family living there. They seemed really poor and were staying in the cave for shelter. We gave our food from tiffin and left. It was a really awesome experience for all of us. We left the cave and went home. I told mom about it. She was a little angry with me for going in a dark cave like that but she was happy that I gave them some food. Now that I know there is a spooky looking cave near the college I can now take my sister there and scare her a little bit. I told mom about this and she got angrier and I had to rush to my room but anyway it was a really crazy experience.

EMPTY COLLEGE

Have you ever wondered how your college would look like when it is empty? Just imagine that one day You Walked In with no Guards reminding you to wear your ID card. It would feel weird wouldn't it? We all are so used to Walking Through the gate with no ID card dangling on a neck to just hastily asking it out of our bag to wear it because of Guards breathing down on neck. You walk into an empty hall. Not much of a surprising site since
nobody stays here. You will probably on most of the time see students entering or going out and today you see none of the students or janitors or guards or anyone. There is no sound. You think of this as an Adventure. Who wouldn't like to go in an Empty building thinking of it as an abandoned haunted building or perhaps imagining that this tall college is their own? It's fun, isn't it? Touch games which reminds us of our childhood where you are imagining or playing pretended. You Walk up the stairs and peek in the principal's office
but out of respect you stay out of it. You decided to roam every floor of this college. The first class room on this floor used to be your class in the first year. You remember being scared and excited to be here. It was hard to contain yourself in one place. Entering you lingered a while at the seat you always saton. You were rather attached to it. Maybe your best friend and you. This cycle
perhaps for you never ended seeing as it was somewhat of a regular occurrence in doodled in each other's notebooks for chattee a lot and then got scolded by the professor for disturbing the class the following yours. Or maybe you were the silent type person who laughed secretly when their friends told joke. We, together, are a package mixed with a variety of personalities and habits and nobody will deny that. You Walked further down the corridor and stand in front of the class where your other friends resided in first year of perhaps someone you know.

Sahara Das, FYBAMMC

You would wave Shyly at them from outside of the class hoping you are not disturbing them much or just straight on make funny
faces at them and then run away when teacher would take notice of you. It would
always bring you a small amount of Happiness by doing this. The next stop you
decide is canteen. Arguably most of the tudent's favourite place seeing as many followed the motto 'Live to eat'. But today, this place irks you because of how empty it is. Whenever you decided to come here with your friends, it was always filled with chatters and Aroma of different dishes. The small round table with 4 chairs used to have more chairs cramped in when any extra person joined the group. You all would eat, talk and joke or some days when fewer crowd is present you would just idly scroll on your Instagram or Facebook or
anything or maybe you just watch youtube videos. Nice place to stay when you bunk. You might or someone else at least once must have bought a tiffin from home which would have been probably devoured by everyone but the one who bought it. The Habit from school still remains. It's mystery but why does it always taste so good? Currently upset, you decided to leave and go to the next floor. If anyone is not familiar with any floor, its probably because they

didn't have any classes or that specific floor etc. But the people who had joined various committees and clubs know the feeling of going in a stranger class and speaking in front of them, to inform or promote any upcoming event. It makes ou much more aware of your surrounding. Makes you brave, bold and active. But we are getting side-tracked here. You may or may not have joinedThem. I don't know. The next floor is gymkhana. Who doesn't love that? Probably the ones who don't know how to play any games available there. Which is, unfortunately, a lot. You again go through all the available classes on that floor. Maybe even discovering that for some of you, this used to be their second year classroom. In that year many even if Cheery where quite focused in the class. It was good. You go more up. You discover more classes and labs. Any physics student will remember the struggle of connecting the correct wires for wheat stone metre Bridge or chemistry student in choosing the salt for dentification or in Biology dentifying the slide in the microscope. Here you also Discover your third year class. The class where you studied and paid lots of attention. It was after all the last year for many students. And it was an important year teachers would say. It was stressful but it didn't stop anyone from joining

"My College"

My heart heaviest for some time, so beautiful was college life. No one can ignore to discuss, that how was his college life. At the time of admission we said, so long is our life. The first step was to admit at college, the second was to retire from college life. Then to sit in class first year, we take start for college life. But after very little period of time, first year were ignored from college life. Then on promoting to next class, I felt the beauty of college life. But the time has to go on and so on! And never wait to enjoy college life. Now before ending the session, to shares activities of college life. To go college in sweet morning, the routine of my college life. Then to attend class after class was the aim of my college life. And to borrow books from library was the part of my college life. And to take part in events too, at the time of my college life. To go hills with friends in the free time, the missing time of my college life.

Now with great sorrow and more! How was the end of my college life? Then with this sorrow in my heart, I spent last session of college life. To remind yet from my eyes now, tears shed for college life. Of you ask me about this, I can suggest you for college life. Any time and throughout district, N.M.F.C is ideal for college life.

"Love"

Love is a murderer. I fell in love too good to be true Loved so deep as the wind blew I thought about you all day and night Never wanted you out of my sight. I fell in love with your smile I knew I was crazy it had been a while I wanted to be everything that makes her feel good I knew she just want to be understood. I fell deep she started falling deeper dreaming about being together we completely won each other but as everything has a price Kama smiled with his Evil Eyes. We love each other as one soul as without her I was half of a whole I started liking and stopped trying she knew that the love was crying. Putting efforts she tried her best I decided to get her off my chest finally onfessed about not feeling she was wounded and stopped healing she didn't cry cause she was heartbroken it was her soul that taken now that she knew the pain she decided to never love again she will never feel the tenderness she won't feel the butterfly in her again I was the one to kill her but she says love is a murderer.

"College life Friendship"

All about trust and Bond. friendship is all about having a person who will always be your side. Story Begins - Delhi's most reputed college, Imperial college. It is one of the best colleges of Delhi. In this college there is a group name hum saath. This group is very famous for their friendship as they can die for each other as they are childhood best friend. There were four friends in the group Dhruv, Kabir,Ananya and Shanya. Their strength was their Bond and trust with each other. Scene in Canteen - Four of them were sitting and having their food and discussing about the upcoming dance competition which was going to be held after final exams. Dhruv - so guys, are we taking part in the dance competition? Kabir - Yes of course buddy! Right girls? (Ananya and Shanya were busy doing something else).

Kabir, Dhruv - Girls!? Both - Yes.

Kabir - We are telling something, are you both listening?!.

Ananya - Ya Kabir 'Hum le rahe hai part, after all its a dance competition'.

Shanya - Ya! I am so excited.

Dhruv - so as we know college has appointed one choreographer for each group. So let's check who is the choreographer.

Kabir - Ya let's Go!

Scene Change At rehearsal hall As Hum saath group was very passionate about dance, They started their rehearsal. They were working hard as everyone was expecting a super awesome performance from them. Examination Day begins, While coming to college Kabir, Ananya and Shanya were coming from car, while Dhruv informed the that he will come 5 to 10 minutes late because he has some work to do. All three reached college and were waiting for Dhruv near college gate. Suddenly Kabir's phone Rang and he got devastated by the news that Dhruv has met with an accident, he informed both the girls about Dhruv's accident and they ran to the Hospital without bothering about the exam. At the hospital, Doctor said that Dhruv's condition was very critical, there are only 10% chance to save him. All of them are heartbroken by listening this but all are trying to become trong in front of each other. Doctor started the operation and after 2 hours he inform them that Dhruv is out of danger, all were really happy after listening this but doctor said Dhruv has lost his one leg in the accident after listening this they all are sad as dancing without legs was impossible. Soon Dhruv got discharged. Dhruv decided to dance on the day of competition with his one leg only. As it was group dance, all four of them choreographed another dance. On the day of competition they danced, although it was difficult for Dhruv to dance but he did with the support, Bond and trust of his friends. They danced and also won the competition.

"Dreams"

Shaped the new rim,
From the first new beam.
She was really eastic,
But the beats were alarmed
The world was unknown,
But the dreams were profound
From the huge bustling
Her thoughts were serving
May the walls were vibrant
Although the dreams were stroked
By taking long breath
Her dreams begin!

"Shore"

Sea with me choose a ‘me’, before a we it's you who will save you from the perils of the sea. Build a back, before a body
Everyone cares for nobody.
Build a spine and bring up that shine,
blind the world it's the depth within you that's worrying the
world. That shore of yours has heard many tides shaping your rocks from needle to knife.
Your rocks have been used as docks,
Don't let your wave be a option
anymore You have the power within you to flood their floor. There will be people, who wait for you to rise, well don’t forget them to surprise,
It's the sea within you
that's brining you high.
Don’t let those little perils be a hurdle anymore,
The sea in you is now ready to meet the horizon and more

"Strangers to friends"

Meet you as a stranger,
Never seen before.
Never heard of you,hoping you were known.
Meeting you was a turning point,
in my life changed drastically,
you came as a lucky charm, shining Bright in my life.
Slowly and eventually,
The band formed.trust developed slowly,
with all the kinky talks , We made memories.
Hanging out was too often,
The leg pulling and the run .
Now I get goosebumps,
Remembering our fun .
I still couldn’t believe ,
We met as a stranger .
Making memories just fell short ,
Hope our friendship will get last forever ,
Like the angels living on the stars .

"INNOCENT LOVE"

They are a bit late, but maybe that was only because of the heavy rain. Here in the mountains it gets foggy so you ought to be careful. My only son with his wife and daughter are headed for our place. Just a few years ago they brought a wonderful life into this world. Ashi, they named her. She’s a bubbly young lady but all her energy is being drained by that device of hers. I wish she would talk to us more often. They arrived and it was a fun affair. After a hearty lunch only Ashi and I remained awake. Due to heavy rains a generator probably blew out and we lost electricity. After a while she came to me and tried to strike a conversation. We talked about life in the mountains and how life here is so different from that in the city. She told me just how excited she was about her new college. College felt like a lifetime ago yet the more I reminisced, the clearer it became, until I could relive it. “You know, I had my fair share of fun in college. Come to think of it, it is where I met my first true love.”

Her teenager emotions started spiking and she couldn’t help but insist I share the details. Truth be told, it was all just a stroke of luck really how it all happened. It was my first day in college and I had arrived an hour earlier than what was required. With time to spare I decided to go through the college brochure in a park next to it. The wind swept a few golden brown leaves off the ground and into the heavens. When it was finally time, I got up, started heading back when a blunt force suddenly knocked me on the ground. A little hazy, I sat on the ground, dusting my elbows when I first got a glimpse of her: cycle on the ground, earphones swinging wildly as she rushed towards me. She knelt and looked me in the eyes, maybe it was the fall but I felt out of breath. I didn’t mind. The morning sun lit up her face and her hair shone auburn. I could smell the conditioner off her hair and at that moment I realized I had to say something

She looked at me like she's expecting something. Maybe she asked if I was alright. I opened my mouth to say I was fine but ended up saying something else together; "Nice Shampoo", not my greatest moments. Soon as I said that, I felt like I yanked back to reality. She looked a bit confused, a whole range of expressions progressing right in front of me. In the end, she just managed to blurt out "thanks I guess" before getting back on her bike and riding away. It took me a moment to realize what had happened- I was smitten. The redness of my cheeks never returned to normal that day. Turned out we're classmates. Things returned to ormal the next day, and I grabbed the chance to talk to Neha. After a bit of small talk we became friends. Fast forward a couple of weeks of texting advancing to conversations which took up couple of hours, things were going well. One fine day a small group of us decided to go for a movie, the other two were our best friends Vaishali and Rohit, hers and mine respectively. When we got to the theatre, only Neha arrived, we waited for others to reach but they texted that they could 'unfortunately' not make it. I checked the time and purposefully held up my wrist. I could see the questions in her eyes, but this opportunity I hadcrafted had to be made full use of.

"Popcorn is on me"

She smiled meekly and we headed inside. She must have loved the movie because she took an hour to finish her dinner while talked about it.

"What happened next grandpa?"

By the first semester exams we were pretty close and during the study sessions she was our tutor.

"So when do you plan on confessing to her? Everyone everywhere knows what's up", inquired Rohit, his expressions conveying the entirety of his thoughts.

"You know I can't exactly just do that, I get so nervous"

"Seeing as how Neha and Vai are not here right now, why don't you try acting it out? I'll guide you, don't worry." He insisted a lot and even I couldn't help resisting it. The library was relatively empty anyway. Closing my eyes I pictured her in front of me. Taking a deep breath I just said out loud everything I felt about her, including how I almost choke when she looks me in the eyes, how graceful she looks while existing: that I loved her.

"He finally said it!"

"Man you played right into her plans yet again" "You made it so hard for me; I even had to arrange this elaborate theatrics especially for you"

I opened my eyes and saw her right in front of me, along with Vai and Rohit. It was just like when we first met, except this time I was the one going through realizations of my own. It was a good day.

A few days later, I asked Rohit about him saying 'again' at the time. He simply opened up his messaging application. Scrolled up to the date of our first movie together, it had a message from Neha that said: "I have sent this to Vai too. No hard feelings but could you probably text him that you won't be coming to the movie? :D" At this point Ashi had forgotten all about her own world. "I hope my college life is as exciting as your grandpa". By that time Neha brought in the evening tea and with that started Ashi's barrage of questions for her; but perhaps that is for another time.

"Hope"

Once upon a time there was a boy who had been encountered in the past by face of the depression looking forward to some comfort. It was his first day in college where everything was new and terrorizing due to the non familiarity of the place. He was nervous until his eyes locked to someone's eyes he looked into death just found out it was completely filled with broken pieces and a pure heart. That each other keeping the glass of untold Smiles. Lectures passed away with time did to became friends talking, smiling, blushing like to puppet. She confessed that when I saw your picture hugging your best friend so closely it took my heart deeply bit by bit those words crash Don him like thunder question every bottom of happiness which were arrested from long Ho. Then comes the most awaited day freshers party where everything was going perfectly fine, that boy was waiting for his princess to arrive which is which god fulfill Din sometime. His eyes fell onto her and drowned in as she was looking so beautiful that his pupils want ready to leave their guests from his heart. it was waiting for the morning Hi but she didn't check him out as he did, maybe she did but he didn't notice.His group was laughing, diddling. Even her group was reciting the same. Between those who Laugh and Giggle their eyes got locked and his eyes were frequently examining a reaction, her face was full of of Angel lyrics miles which comforted his heart it was what he needed the most. Some minutes passed away and they got the permission to enjoy the party.The first thing that for the in his mind was how he would talk to her as she was so busy with her group talking, clicking selfies. He started caring for her from the very moment when she confessed his jealousy in a way that took his heart away from the page of loneliness to the gate of love. She was the first person to get jealous when he was with other girls. His feelings for increasing Pile by Pile making loud sounds of happiness scripting around his face. Then it was time for DJ dance.

Everyone was so consumed by the floor of the song, where as his mind was searching for the only person who matter to him in the crowd, many people were showing happiness all over their faces. While his happiness was busy dancing so perfectly so charmingly. Even he wanted to dance with her but the faith was pulling them apart clashing sometimes at some point but fate had a won this time and they were forced apart. The next day arrives with new sprouting hope all over his soul. They both publishing and sharing Smiles, they became close enough to talk about about their respective past but for enough to confess their feelings to each other. Because deep down in his heart there was thought which was taking him up from inside what if she leaves him and break every ounce of relation they had. He was tense about his growling question but his inner soul was holding onto the hope that she feels the same way I like it does. He had some social problems (Stage fear) so she always used to encourage him for presentations and other social activities, he used to ignore your encouragement because is of the fear inside him was ordering too but later on he thought that she is trying hard level best to make him Fearless then why couldn't he do what she ask of him. Does his fear have more value than her words? He thought for a while and he got the answer, no, she is my valuable Jewel, no one can take her place, the place she has in my life is totally heaven to me. He chose her over his fear because she believed in him that he could do anything that he wanted she made him realise he could win whatever he won't just he needs to believe in themselves. He thought meeting her was blessing for him and that it isn't that bad and there were chances that he wouldn't have met her but he did that the most important part in his life and now he believes that nothing is impossible till you put effort. You should never let the flame die inside you as it could keep you alive sometime in some cases.

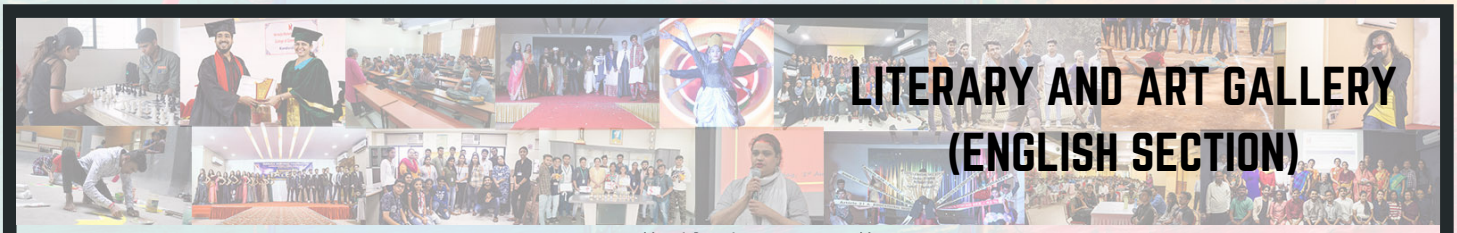

He got his Jewel, just embrace the people in life who encourages you, nowadays it's really hard to find some people like that who really care for you as who you are not because what you have. He is currently doing well all thanks to her he gave his whole credit to her because she was the one who encourage them he thanked her for everything and also for being there always and he also promised in his mind that he won't ever Lever not even when he had problems he know that they are that much capable that they could just fight it off easily. Just never expect more from anyone can create your own life it is in your hands to decide whether to waste it or use it on some place where you really can enhance your abilities and where you could make sure Bond even more stronger than before, you just need to have a pint of hope thatyou can do this. He got his hope.

They just met like nearly a month before but he have a hope that one day they will be something special, something perfect but when they will be together he knew that they are gonna be the perfect one. Moral of the story is never leave hope even if you believe that hope is just a word. Even if there is one bad thing happening in your life it doesn't mean in future you will get bad things only, you could also get the best thing ever

"Life in college"

The ideal college lifestyle dissipates quickly once the reality is reached. Many young adults imagine vivid pictures of what college might be like for them. However, once these young adults mature into independent men and women, and enter the college of their choice, they soon realize the reality of the college lifestyle. They must learn to adapt to their new surroundings as quickly as possible to accomplish the sought after degrees. Students come to the realization that life is not as easy as they might hope for. Many young adults seem to believe that the college life is filled with parties and typically a laid back lifestyle. These students believe that much like high school, classes will be taken during the day and filled with all their friends. They imagine a lifestyle with no other worries besides an occasional essay or lab. It is often said that the college is the greatest time of one's life. Many high school students believe this and look forward to it. Some enjoy the idea of being able to come to the class late, leave when they want and pretty much have a say so of their own lives now that their parents are out of the picture. The majority of collegefreshmen enter into school picturing an easy, fun filled ride. These reason provide a support to the unusually low grades offirst- year college student.

The widespread college ideal lifestyle is seldom the reality. Students quickly learn that many classes stretch to nighttime hours. Often the students are not in classes with their friends but with other students who sometimes can be old enough to be their parent. Although the averagecollege age might be near 20, it can range from 18 to 40 years old or older. There are many middle aged adults going back to college to get their degree at the same time with the 18 year old college students. With this large student age diversity, new students going in starts to find it hard to fit in.Your roommate is going to play a big part in your college life. One of the major changes for most people is coming to college and living with a roommate as well as getting along with a roommate. This was not a problem for me because my roommate and I got along perfectly fine. Try to find out who your roommate is before moving into a dorm. Even if you think you will not like your roommate, try to keep a good relationship with him/her. Remember that there was lots of help given to come this far in life. Only plan to teach for about three year until the nextchapter prevails in my life.

COLLEGE LIFE

College life is all about lots of fun, enjoyment, grooming your personality, new independence, pocket money, hangouts, chit-chats, gossips, canteen and many more and more things which changes one's life and are also highly influential. I still remember the first day of my college life. I was pretty nervous because it was totally a new surrounding with new people. I was tensed to make new friends, on which bench to sit and lot many things. But i was not the only one, all were in same situation. When I went to the classroom I was surprised. Everyone needed a good classmate and thus were coming and introducing themselves I did the same thing, got comfy and settled soon. Even if we were 1 st benchers, sometimes we used to go on the last benches and enjoy the same fun did by the last benchers. And it was really fun! The combo of studious and naughtiest students. We played both of these roles very prominently. College life is really fascinating. It is the journey from the first bunk which was scary, tensed and very hard. Bunking the boring lectures and sitting in the washroom, going to the canteen and spending hours there, rushing to the gymkhana to play carom and chess. Isn't it awesome?

Friends are the best part of anyone's life, they always accompany you in every phase of college life.NComplaining, copying assignments, 'the pani puri eating competitions', talking about your crushes and many more things which we will never forget.Once I was going to the gymkhana with my friendS after college and "BOOM" I slipped down the stairs. My friends weretensed. They lifted me up, calming me down all the while laughing. I saw this all when I was crying out in pain plus laughing out loud with tears in my eyes. AVgreat combo of expressions.But I learned one thing from this incident was that even if you are in any problem or difficulties you can cope up with it with a smile on your face and getting jolly. Yes, my friends taught me this. Once we left early from the college because the teacher was not available, my friends and i went down to the park which was next to the college. On the way we saw a big mirror hanging on a wall on footpath. It was from a barber's shop on the street which was closed that time. As we were the 'MASTI KIDS' I took out my cell and the three of us clicked a pic in that mirror and ran away to the park. That was really fun because the uncles standing there were wondering if these kids are crazy. During rainy season, I still remember being under one umbrella with other four people adjusting in it. At last we all were wet. Once my friends and I went to the college library. Not to study but to see how the college library looks like and what do all students do in there? All of us went inside and took a seat in the corner, removed our books and kept it in front of us. We started observing each person and gossiped and chit chatted about them. The librarian saw us many times but did not say anything, because he was not keeping a watch on us but we were in turn keeping a watch on him. Whenever he would see us, we will stop our gossip and act as if were studying. But sadly he caught us doing our 'masti' and threw us out of the library. Then came the 'exams'. The OMG factor for every student. Yes, even for studious ones. We had a bookstore named 'Ambika'.

At start, we were unaware about what is this Ambika because every ma'am said the same thing "go and collect notes from Ambika". And it simply turned out to be a bookstore! The funny and interesting thing about ambika was that you will not see much students attending lectures but for notes the bookstore would be crowded with a bunch of students. We used to say, "teacher ko yaha class rakhna chahiye" Unlike gym, canteen and washroom, 'Ambika' was another fun spot for all. Yes, we did lots of fun, masti and everything but we were very good in our academics too. We participated in many events such as debate, elocution, JAM, thali making, food competition, sports, treasure hunting, street play and many more. And we always won the prizes. Also learned one more lesson which is 'winning is not important but participating is'. It develops our personality. We were brilliant in studies, willingly studied more and hence the results turned up to be always awesome. For all these laurels and achievements, the credit goes to our awesome and brilliant teachers. They supported us, guided us, motivated us and did everything to bring up a brilliant student A very big thanks for all my teachers. I have a very sweet bestie, I call her with a nickname 'crazy'. Once both of us were sitting on the bus stop bench. An old lady came near us and asked us to save a contract on her cell phone from her diary. She said one name from the diary and then another one. We did the same and she kept on saying one more till we added fifteen numbers on her phone. Now this was too much but once again she said to add one more. I was like, why did we come here? We added one more contract and called someone for her and again after this call we called some other person for her. We took this chance to make our escape as she was talking too much. We bid her goodbye and ran away. It is a happy college life.

तुम दूर हो तोह ऐसा लगता है कि जन्नत से खुदा ही चला गया ।

पानी की अज़मत

मैं मुंबई का
वासिन्दा हू। बॉम्बे के पुराणी की बस्ती में रहता हू। तक़रीबन
सुबह ५ बजे हमारे
यहाँ पे बीमसी की द्वारा पानी आता है। ५ बजे के आस पास
इतना शोर शराबा नहीं होता
सभी अपने काम में मशगूल होते है।
मगर एक सुबह एक
शोर गूंजा। मेरी नींद वैसे ही कच्ची थी जैसे
आवाज मेरे कानो पर पड़ी मैं उठा आँख मलते- मलते अम्मी के
पास गया।
अब कल्पना कीजिये
सुबह सुबह आपका काम सही तरीके से नहीं होता है तो आप
चिढ जाते हो। इंसान की फितरत है वो गुस्सा किसी और पे ही
निकालता है मुझे पता नहीं था मैं मेरी माँ से कैसे मुठभेड़ करने
वाला हु।
मैं गया उसके पास
आंख मलते- मलते पूछा।
"अम्मी माजरा क्या
है?" माँ ने चिढ़े हुए स्वर में
कहा पता नहीं किसी की बाला से पानी नहीं आ रहा आज।
मैंने कहा ठीक है
मैं थोड़ा और सजक हो गया। बाहर गया चाली
में देखा आस पड़ोस के सभी लोग पाइप लेकर निचे दौड़ रहे थे
और दुसरो घरो से पानी भर
रहे थे। कुछ समय बाद अब्बा आये। मैंने सिचुएशन का अंदाजा
लगाया अब्बा को एडवाइस देने की कोशिश की तो मैंने कहा
"अब्बा आपने वो निचे वाला वॉल चेक किया क्या वहा से पानी
आ जायेगा।"
पापा ने भी उसी स्वर में जवाब दिया जैसे माँ ने कहा था "अब्बे तू
ज्यादा सीखा
मत तेरेको मालूम नहीं है सिचुएशन के बारे में।
तू जाके सो जा।"
माँ बाप के तीखे
स्वर और बाहर की चहल पहल को देख कर मुझे अंदाजा हो गया
था की आज चाय से ज्यादा
केतली गरम है। मैं जाके सो गया। आठ साढ़े आठ बजे के आस
पास था मैं स्नानं करने के
लिए जा रहा था । तोह माँ ने कहा की 'बेटा एक काम केर लो
कॉलेज
में नाहा लेना'। मैंने माँ को अंग्रेजी में टशन में जवाब दिया
"आर यू क्रेज़ी ?"
तो आपका पहले ही
कहा था की चाय से जयादा केतली गरम है और वो अभी भी
थी।
माँ ने कहा था
ज्यादा अंग्रेजी मत झाड़ो जितना बोल रहेहै उतना करलो।
मैंने कहा जो
हुकुम घर के सरपंच आप जैसा बोलेंगी वैसा ही होगा।
माँ जो थी घर
उसका था।
मार्च का महीना
था मैं अपने सेकंड ईयर में था और हमें कॉलेज के इन्तिहाँ की
तयारी के जितना ही
चुटी मिलीथी।
अब अम्मी अब्बा
को लगता था की बेटे जाके पढ़ता होगा कॉलेज में मगर हम
तोह मस्ती करने के लिए जाते
थे पढ़ने के लिए नहीं। हुकुम की तामीर की
कॉलेज गया नहाया धोया पढ़ने की कोशिश की पढाई हुआ
नहीं वही बकैती में लग गया। शाम हुई घर पे आया बस्ता
रखा कपडे उतार कर मुँह
हाथ धोने के लिए तहारफ खाने की ओर किला हाथो में पानी
लिया फेकने ही वाला था अम्मी
वहा पर सिलाई मशीन पर बैठ के काम केर रही थी की
अचानक मेरे कानो में आवाज आयी।
"अरे मुह्ह धोने
जितना ही पानी लेना" आंखे शताब रह गयी हाथो से पानी
निकल गया मैं बाहर गया
अम्मी के पास जाके मैंने कहा " अम्मी यह क्या है यार। सुबह
बोलती हो कॉलेज में
जाके नाहो अभी खाली मुँह धोने जितने पानी लो। मुझे लगा
था लॉफ सिचुएशन को हैंडल
केर लिया होगा और अगर अभी तक नहीं हुई है तोह निचे
चाची के वहा से दो तीन हंडे
पानी के लेके आ जाता।

तोह माँ ने कहा "सुबह से दस चक्कर लगा चुकी हु अब पसलियों में दर्द हो रहा है। अब माँ के स्टेटमेंट में थोड़ा सेंटी हो गया मैं। बैठा माँ के पास मैंने माँ को पूछा माँ माजरा क्या है? माँ ने कहा तुम्हे पता है की पिछले बार एक बीमसी के कर्मचारी आये थे। मैंने बोला हां आये थे वो बाजु में किसी का इललीगल कुनेक्शन काटने "तो बाजू में किसी का इललीगल पाइपलाइन काटने आये थे। "और उनके पास साथ में कैंची थी मम्मी वो कपडे काट रही थी और सर्र करके उनोहने हमारी भी पाइपलाइन काट दी।" मैंने कहा ऐसे कैसे काट दी। मम्मी ने कहा मैंने भी यही सवाल पूछा ऐसे कैसे काट दी तो बिमसि वालो ने जवाब दिया की वो क्या है की निचे बहोत सरे पाइप एक साथ कनेक्टेड है न तो हमें पता नहीं चला की आपकी पाइपलाइन कोनसी है। मैंने कहा अब क्या होगा?माँ ने कहा अब क्या होगा सरकारी काम है तीन चार दिन धक्के खाएंगे तुम्हारे अब्बा, मैं धक्की खाउंगी तुम चिल्लाओगे ओर वह वही होगा। मैंने बोला ऐसे कैसे होता है? माँ ने सब कुछ रखा ओर मेरी आंको में आँखे दाल के कहा "तुमने कभी गेहूं को पिस्टे देखा है?" मैंने कहा हा देखा है। माँ ने कहा गेहूं के साथ ओर क्या पिस्ता है? मैंने कहा घुन पिस्ता है। हम वो घुन है जो अभी पइसे जायेंगे। उस तीन चार दिन की जतोजहद में हम लोग माप के पानी इस्तमाल किया करते थे। कभी कपडे धोने के लिए इतना पानी, मुँह धोने के लिए इतना पानी। मैं रेस्टोरेंट से बोतल भर के ले आया करता था क्यूंकि पानी खरीदना बड़ा माँगा काम है। हर रोज आस पास के सभी लोगो में से हर इंसान १०-१५ चक्कर लगाया करता था बहोत सी बार इतनी चक्कर हो जाते थे की पैरो में वाराम आज जाते थे और शाम को आलम ये होता था की थकान के मारे टेका मिल जाये वही नींद आ जाया करती थी। फिर तीन चार दिन के जतोजहद के बाद बड़े बाबू आये। बड़े बाबू आके सरे चीज़ो का निसर्वेसन किया और देखा की हां भाई सब कुछ सही है ओर उनोहने अपने रिकॉर्ड में देखा की इनके दादा जी की सिग्नेचर है तो कायदे कानून से ईनोहने सारा कुछ अरैंजमेंट किया हा है\ माँ ने पहले ही कहा था की सरकारी कामो में समय लगता है। तीन चार दिन ओर बीत गए। उसके बाद बीमसी की टीम आयी। वैसे भी हिंदुस्तान में कहीं भी खुदाई हो तो लोगो का जमावड़ा हो जाता है देखने के लिए क्या हो रहा है। उस दिन भी वैसे ही कुछ हुआ। उसने आके बीमसी वालो ने पूछा मेरे अब्बा से चलो बताओ तुम्हारी पाइपलाइन कोनसी है चार में से फटाफट फिट करने का और अपने की जाने का है। पापा ने बोला मेरे को कैसे पता होगी यहाँ पे है। तो बोला तुम्हारी पाइपलाइन तुमको मालूम नहीं? तोह बोलते साहब ऊपर से पाइपलाइन पता है निचे ८ फ़ीट अंदर तो आपका काम है वाटर वर्क डिपार्टमेंट से आप हो या मैं हू? उसने बोला अगला बात तोह सही कर रहा है। फिर बादमे में उसने अपने टीम वालो को बुलाया, बोल वो दिन कोन था किसने खोदा था बुलाओ उसको तो उसमे एक आदमी ने जवाब दिया की साहब वो तोह छुट्टी पे गया सात किन के लिए। अब अब्बा ये सुनके उनकी ओर टेंशन तीते हो गयी तो चार पांच पाइप थे खुले थे पता नहीं क्या करना है किसी को कोई आईडिया नहीं था। तोह हम सब लोगो ने कभी ना कभी एकम दिए होते है उसमे मसीक्यु आते है चार ऑप्शन ओर उसमे आपको जब पता नहीं होता न तो आप अक्कड़ बक्कड़ बॉम्बे बो करके एक पे टिक केर देते हो क्यों की बहोत सी एग्जाम में नेगेटिव मार्किंग भी होती है छोड़ने के लिए तोह वो टाइम ऐसे ही था पापा ने अक्कड़ बक्कड़ बॉम्बे बो किया बोला ऐच्छ है।बोला यार तू अभी २ मिनट पहले बोला तेरे को नहीं मालूम। बोला नहीं अभी पता चल गया। जॉइंट कर दिया सब लग इम्प्रेस हो गए। बोले यार ये हातिम तै को तो बीमसी से भी ज्यादा मालूम है मतलब उन् लोग भी पता नहीं लगा पाए ओर ये पता लगा दिया।ऊपर अब्बा आये।अब्बा आके बैठ गए सर में हाथ रखे सहराने लगे। माँ ने पूछा क्या हुआ? तोह कहा यार रज़िया एक प्रॉब्लम हो गयी। बोली अब क्या प्रॉब्लम है? पूरा किस्सा समझाया उनोहने कहा अक्कड़ बक्कड़ बॉम्बे बोल के वो वाली पाइप बोल दी। माँ ने बोला क्या मतलब अगर तुम्हारा तुक्का गलत हुआ तोह? तोह अब्बा ने अमिताभ बच्चन जी की आवाज में कहा तो देवियो और सज्जनो तो फिर कल पानी नहीं आएगा। माँ चौंक गयी अगली सुबह ५ बजे हम सब पानी के इन्तजार में थे। पौने ५ बजे के आस पास मैं खुद अपनी बाथरूम में नल के सामने बैठा था। देखने के लिए पानी कब आएगा। ५ बजे ओर पानी आ गया। मैं चिल्लाया पानी आ गया। सब चिल्लाने लगे हातिम भाई जावेद भाई पानी आ गया मुबारक हो। मैंने बाहर आके देखा मेरे चाली वालो के चेहरे पे एक सुकून और एक ख़ुशी का एह्साह था। वो ख़ुशी ओर सुकून का वजन इतना था की उसे अगर एक तराजू में एक हो और एक तराजू पिछले दस ईदो की ख़ुशी रखो तो वो तराजू का पलड़ा बहरी था। क्यों की वो क्या दौलत थी सिर्फ वही जानते थे। मैं अपने आप को जब आईने में देखता हू तो खुद को बड़ा रईस पता हू मैं अल्लाह कासुकेर करता हू की मेरे पास हर रोज इस्तमाल करने के हादसे ज्यादा पानी है क्यों की कुछ लोग दुनिया ऐसे भी है जो मिलो मिल तक पानी की जतोजहद में जाते है कभी उसकी प्यास से मरते है तो कभी उसके न मिल पाने के दर से।

बचपन

वोह बचपन अलग था
हुदोर्रगुज़रगया
स्कूल जाना कोई सजा न थी
असाइनमेंट की कोई भीड़ भाड़ न थी
मोबाइल की कमी हर एक दोस्त पुरे कर रहा था
टिफ़िन खाने के लिए ब्रेकटाइम का इंतज़ार नहीं था
मेरे दोस्तों जैसा कोई परिवार न था
वोह बचपन अलग था
वोह दोर्र गुज़र गया
होमवर्क की टेंशन रात न जगाया करती थी
रेस्ट्रिक्शन्स के नामपे भी बहुत मौज होती थी
बर्थडे पर टॉफ़ी बाटने का इंतज़ार अब उन लेटनाईट पार्टी जमैं कहा
हज़ारो की दारु मैं चंन्द पैसो की चॉकलेटस की मिठास कहा
वोह बचपन अलग था
वोह दोर्र गुज़र गया
लड़ाईया तोह अभभी होती है
मगर पेनफाइट का एहसास नहीं दिलाते है
रुस्वाइयाँ भी होजाती है कभी कभी
अफ़सोस मगर यह है की मानाने वालो की कमी पढ़ जातीहै
वोह बचपन अलग था
वोह दोर्र गुज़र गया
पेंसिल से पेनका सफर, मुश्किल सा होगया
१२ सालो का सफर पल मैं फिसल गया
बचपन हमारा मानो कही पीछे रह गया
वोह दोर्र गुज़र गया
वोह दोर्र गुज़र गया

सबकी ज़िन्दगी में मुश्किलें खड़े पहाड़ बनकर
करना है हमे इसका सामना डटकर
हम ना हार मानेंगे लड़ेंगे हम जमकर
घुट रहे है कितनेसारे देखो अपने अंदर
लड़ेंगे हम हार नहीं मानेगे
कामयाबी हासिल करने की हमठानेंगे
अपने कमज़ोरी को पहले सेजानेगे
ज़िन्दगी को अपने ख़ुशी से गुज़ारेंगे
हार नहीं मानेगे मुश्किलों से लड़ेंगे
ज़िन्दगी सवारेंगे डर को भगाएंगे
मेहनत से कमाएंगे हक़ का ही खाएंगे
ज़िन्दगी में कितने गलत रास्ते भी आएंगे
पर हम न उस गलत रास्ते पे जायेंगे
छोटी होगी ज़िन्दगी पर उसमे भी मचाएंगे
छोटी सी खोली देखो उसमे भी खुशिया ली है
गंदे होंगे कपडे पर मैं बलशाली है
जीबो में नहीं पर दिल में हरियाली है
पैसोसे नहीं पर मनसे शक्तिशाली हे
हार नहीं मानेगे मुश्किलों से लड़ेंगे
ज़िन्दगी सवारेंगे डरको भगाएंगे
वक़्त वक़्त की बात है अपना भी वक़्त आएगा
थोड़ा सा इंतज़ार करो सब्र का बल भायेगा
ज़्यादा की उम्मीद न रखो सबको ये फसायेगा
बुरी भला है लालच सबको ये डुबाएगा
ज़िन्दगी को सही तौर पे जीने की अबबारी है
ईश्वर की इस देन पे हम बड़े आभारी है
ज़िन्दगी से मुश्किलें निकालने की पारी है
मुश्किलों को पीछे कर आगे जाने की तैयारी है
कितने भी बड़ी हो सनकत हसेंगे हसाएंगे
अपने मनको अपने तकदीर से मिलाएंगे
ज़िन्दगी में हम कामयाब हो क दिखाएँगे
आगे बढ़ते जाएंगे अब न डगमगायेंगे
सचाई के रस्ते पे चलो सफलता ही पाओगे
गलत की राह पे डर डर के ही खाओगे
अपने साथ अपने पूरी परिवार को रुलाओगे
ज़िन्दगी में सही चुनना बाद में पछताओगे
हार नहीं मानेगे मुश्किलों से लड़ेंगे
ज़िन्दगी सवारेंगे डर को भगाएंगे
ज़िन्दगी तो सस्ती है बस गुज़ारने के तरीके

आईचे प्रेम

त्या कमळासारखी आहे तुझी साथ,
काही आनंदासारखी ह्या अश्रूंच्या तळ्यात!!
नेहमी शांत असणारा हा स्वभाव,
सामावून घेतोय जणू प्रत्येक बोल वार्यात!!
ते डोळ्यांना ओलावणारे कारण,
जणू हलके झालेय ह्या आयुष्याच्या पार्यात!!
ह्या प्रेमाने आनंदच असे भरले,
जसे वाहते पाणी सुंदरता भरते ह्या झर्यात!!

आठवण

रिमझिम रिमझिम पावसाच्या धारा
वारा कसा अंगावर आणि हा शहारा ।।१।।
शिवारात उभी मी, वर नभात पहाते
खगांची माळ ही, कशी घरास परते ।।२।|
नभ आले हे पुन्हा दाटुन दाटुन
परतीच्या आठवाने मन आले ग भरून ।।३।।
पाऊस पाऊस भिजरी ही पायवाट
पायवाटेच्या कडेला रान झालय हे दाट ।।४।।
भिजून गेले मी अशी, मन झाले ओलेचिंब
आठवणीत गुंग मी कशी, आठवे पावसाचे रंग ।।५।|
मनामध्ये माझ्या विचार हा येई
तुझी माझी गाठ परत कधी होई ,परत कधी होई ।।६।।

'शिव'पुत्र

रक्तानं माखलेल्या शंभुराजांची धारधार शब्द सुद्धा औरंगजेबाला टोचत होती खोलवर समशेरी सारखे, मराठ्यांच्या समशेरीसारखे. वाटलं की त्या क्षणी करून टाकावं धड से अलग.पण आठ वर्षं, आठ वर्षं या सीवाच्या फर्जंद न खेळवले होते आपल्याला दक्खनेत, आठ वर्षं तख्तावर बसून सुद्धा ताज ठेवता आला नव्हता त्याला स्वतःच्या मस्तकावर त्या संभू मूळे. आणि अवघी उमर ज्या छत्रपतींच्या धसक्याने जगण्यात गेली, त्या काफिर सीवा चा बच्चा आसा तावडीत आपडला होता , त्याला इतकी आसान मौत देणं त्याला नामंजूर होत त्या औरंग्याला आणि खरं सांगावं तर तेवढी लायकी नव्हती त्याची.अरे तो काय मौत देणार या मराठयांच्या आभिमानाला? "जुबान निकालदो इस काफिर की।" "हर हर महादेव..."शंभूराजांचे अखेरचे गर्जत झाले. त्या कर्कश आवाजाने देवघरातले दिवेही मावळले, सकाळपासून या महाराष्ट्रातल्या आया बहिणींनी पाण्यात ठेवलेले देव, ते देवही किंचित शहरातले झाले... काय वाटलं असेल त्या क्षणी जिजाऊंच्या आत्म्याला घातले असते का साकडे त्यांनी भवानी मातेला शंभू बाळाच्या सुटकेसाठी?? की काढली असती तलवार त्यानीं? चढवला असता का जिरेटोप?? आणि गेल्या असत्या का त्या एकट्याच घोड्याला टाच मारून त्या औरंग्याला धडा शिकवायला??त्यांच्या शंभू बाळाच्या सुटकेसाठी..आज साक्षात छत्रपती असते इथं तर...एक तळपती समशेर त्यांचाही काळजातून लखलखून गेली असती, प्रचंड विजेचा लोळासारखी,आरपार... आणि त्यांनीही सांगितलं असतं देवाला ठणकावून,"तो पहा, तो पहा माझा छावा,अखंड सह्याद्रीचा छावा...!

आणि असेल हिम्मत तर घेऊन या त्याला इकडे अरे असेल हिम्मत तर हात तर लाऊन दाखव त्याला..." की मागणं घातलं असतं त्यांनी त्या मृत्यूकडे असहायपणे... शमभुराजांची सुटका करण्यासाठी त्यामरणप्राय यातनापासून...?मागितलं असतं का मरणं शंभू महाराजांसाठी? नाही, या मराठी रक्ताला लाचारी शोभली नाही, शोभत नाही. छाटली गेली जीभ त्या मराठयांच्या आवाजाची!काय घालमेल झाली असेल शंभुराजांची? आठवत असेल का त्यांना ती वेळ जेव्हात्यांनी आपलं पाहिलं काव्य वाचल होतं, आठवली असतील का त्यांनी मिर्झा राजाला दिलेली बेखाँफ उत्तरं, असेल का धाराऊच्या दुधाची चव अजूनही त्यांच्या जिभेवर ...? "संभू अभिभी वक्त है, कुर्निसात करो हमारे बादशहा सामने, तुम्हारे सारे पाप ये आमलगीर भूल जायेगे बस तुम हमारे कदमोमे गीर जाओ। और हम वादा करते है के जान बक्ष देंगे तुम्हांरी" अरे तू काय जान बक्ष देणार आमची, अरे दोन पल फक्त दोन पलांसाठी आमचे हात रिक्त कर, नाही त्या जगदंबेच्या चरणी तुझ्या रक्ताचा अभिषेक घातला तर नाव नाही लावणार भोसल्यांच हे सारं बोलायचं होत शंभुराजांना पण...

गोष्ट बाबांची: माझ्या पहिल्या वाचनाची

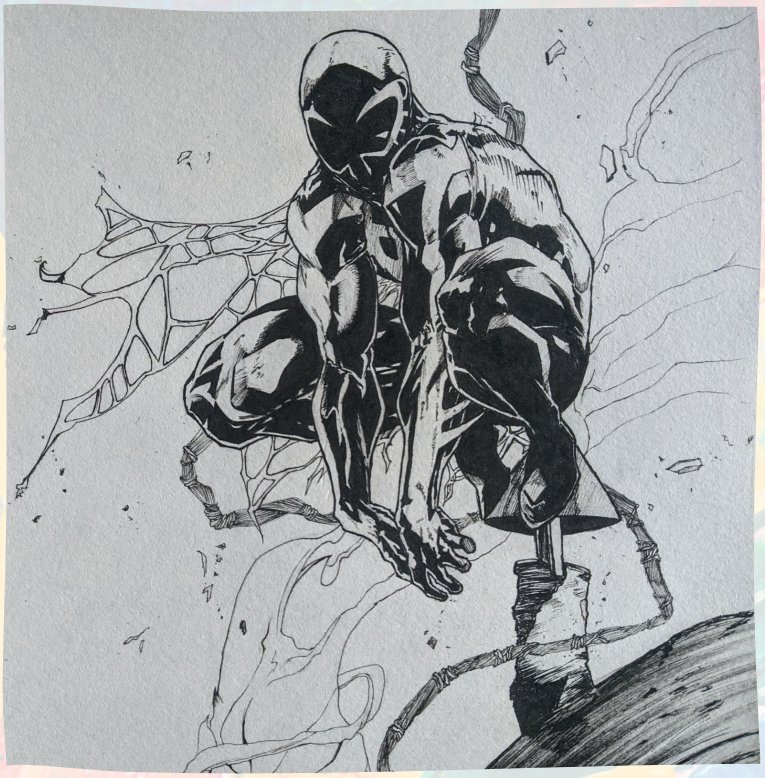

कधी कधी काही आठवणी खूप काही शिकवून जातात. लहान पणी आपल्याला ती गोष्ट महत्वाची वाटत नाही.पण नकळत संस्कार करून जाणारी ती गोष्ट मोठेपणी खूप आठवते आणि महत्वाची वाटते.त्या छोट्याशा गोष्टीने पूर्ण आयुष्य भराची शिदोरी मिळते.तशीच ही लहानपणी ची छोटीशी आठवण.

आमच्या घरी लोकसत्ता पेपर यायचा बाबा नेहमी सकाळी पेपर वाचायचे, मी दुसरीत असेन वाचता येत होतं मला पण, मी मात्र बाबांकडेच हट्ट करायचे'गोष्ट वाचून दाखवा ना बाबा' मग बाबा सांगायचे' गोष्ट रविवार ह राजा रोज गोष्ट नसते त्यात. आणि ते ते वाचनात रंगून जायचे त्यांच्याकडे पाहत मी विचार करायचे ही मोठी माणस खरच वाचतात की नुसतं पेपर मध्ये पहात बसतात? मग मी त्यांचं निरक्षण करायचे की ते कसं वाचतात . पण त्यांचं वाचन इतकं गतिशील होते की मला तरी वाटायचं हे फक्त भर भर नजर फिरवतात बस . आणि हसू यायचं. मी वाचताना माझ्या पुस्तकातले धडे इतके पटकन वाचू शकत नव्हते मग मला कंटाळा यायचा म्हणूनच मी बाबांना वाचून दाखवा असा आग्रह करायचे . मग एकदा चा तो रविवार आला बाबांनी पेपर वाचायला फक्त सुरवातच केली होती. मी त्यांच्या पेपर मध्ये डोक खुपसून त्यांना सातवायला सुरुवात केली ' बाबा गोष्टीचं पान आलंय ??' बाबा कोणती गोष्ट आहे ???,बाबा तुमचं झालं का वाचून???, माझे प्रश्न थांबून थांबून चालू होते पण बाबा काही उत्तर देत नव्हते. मी कंटाळले त्यांना मला गोष्ट वाचून दाखवायची नाहीय. बाबा , ऐका ना माझं ! असं म्हणत मी पेपर ओढला . बापरे! बाबा खूप रागाने माझ्या कडे पाहत ओरडले काय करतेस तू ?

माझी तर बोलतीच बंद , फक्त डोळे बोलू लागले गंगा यमुना वाहत. आई धावत बाहेर आली तिला वाटलं झालं आता हिला धपाटे मिळणार खर तर बाबा वाचत असताना त्यांना कोणी मध्येच थांबवले तर त्यांना आवडत नसे . त्या वेळी आई पण त्यांना चहा हवा का ? असे पण त्यांना विचारत नसे . आणि इथे तर मी पेपरच ओढला होता , हम्म आता काय ? मी तर डोळ्यातल्या आसवांना रोखुच शकत नव्हते . पण काय झाले माहीत नाही क्षणात बाबांचा चेहरा बदलला ते उठले, शांतपणे माझ्या हातून पडलेला पेपर त्यांनी उचलला, त्यातले किशोर कुंज चे पान काढले , माझ्या हातात दिले आणि म्हणाले हे घे हीतुझी गोष्ट वाच आणि मग तू मला सांग . मी पाहतच राहिले त्यांच्या बोलणायचा अर्थ न समजून म्हणाले . मला गोष्ट वाचून दाखवा ना ! आई हे पाहतच होती मला मार मिळू नये म्हणून पटकन म्हणाली, अग तू वाच ना बाळा गोष्ट तुला पान दिलाय नाआईचं बोलणं बाबांच्या लक्षात आले . त्यांनी मला बाजूला बसवलं पेपरचे पान नीट माझ्यासमोर ठेवले आणि विचारलं यात गोष्टीचं नाव कुठे आहे सांग बर ? मी सवयी ने ठळक अक्षरात लिहिलेले नाव दाखवले . ते म्हणाले वाच. मी वाचले 'चांदोबचा अंगरखा' अरे चांगलं वाचलं तू ! हसत बाबा म्हणाले . वाच मग आता बाकीची गोष्ट ! बाबांना आता काय सांगू कंटाळा येतो म्हणून आता काय वाच म्हटलायवर केली सुरवात . पण गंमत अशी की वाचताना वाक्य जुळतच नव्हतं 'खूप खूप वर्षांपूर्वी ची गोष्ट आहे एकदा आणितो फिरायला गेला नेहमीप्रमाणे' हे असं वाक्य कसं ? मला काही कळेना . मी बाबांना म्हटलं , "बाबा गोष्ट चुकीची आहे " ते म्हणाले, कसं काय ? मी त्यांना ते वाक्य दाखवलं, ते खो खो हसले . माझ्या डोक्यावर टपली मारत म्हणाले अग हे तुझ्या पुस्तकां सारखं नाहीय हा असा कॉलम असतो . अस दाखवत त्यांनी मला त्या प्रमाणे पेपर दुमडून दिला आणि मी तो वाचला , अरे वा गोष्ट बरोबर आहे! मी खुश, आता खरच नीट वाचून संपली . मला खूप आनंद झाला. मी खुश होऊन पेपर बाबांना परत दिला . मस्त होती गोष्ट ! हो ना बाबा म्हणाले मग सांगा बरं काय होत त्यात ? मी खूप उत्साहाने पूर्ण गोष्ट सांगितली . बाबांनी खुश होऊन पाठ थोपटली , छान मेघा बाई जे वाचताय ते लक्षात पण राहते तुमच्या आता एक लक्षात ठेव आपली गोष्ट आपण वाचायची आणि हो वाचल्यावर त्यावर विचार पण करा, ती गोष्ट कोणाला तरी सांगा विसरून नका जाऊ कळलं ? मी मान हलवली . मी खरच खूप खुश झाले होते तेव्हा . गोष्ट वाचण्याचा अनुभव मला आवडला होता . ही पहिली गोष्ट होती जी शाळेच्या पुस्तकात नव्हती आणि बाईंनी वाचायला न शिकवता मी वाचली होती. आणि दुसरं कारण होत की वाचताना ती गोष्ट मी डोळ्यासमोर पाहिली पण होती . हो खरच . हा एक पहिलाच अनोखा अनुभव वाचनाचा . अप्रतिम ! बस . त्यानंतर वाचन माझा छंद बनत गेला तो आजपर्यंत . नुसतं वाचायला शिकवून बाबा थांबले नाहीत तर ते मी काय वाचलं ? त्यातलं काय समजलं ? त्यातल शब्दार्थ , भावर्थ, ध्व नार्यथ असे अर्थ असतात ते ही समजून घेण्यास शिकवलं . जसं जशी मी मोठी होते गेले तसतशी गोष्टीची पुस्तके ते आणत गेले . किशोर एक चांदोबा पासून लोकप्रभा मार्मिक अष्टपैलू सारखी मासिक साप्ताहिक जे मिळेल ते योग्य साहित्य ते घरी घेऊन येत . सकाळचा नाश्ता घेताना पेपर घेऊन बसायची सवय लागली आणि आई एकदा वैतागली काय करतेय ही मुलगी सकाळ पासून पेपर वाचत बसते . बाबांनी लगेच सांगितलं तिला वाचताना रोखू नकोस तुझं काम असेल तर ती नंतर करेल . ज्यांचं वाचन समृद्ध त्याचं जीवन समृद्ध

होत . खरच तेव्हा मला हया वाक्याचा अर्थ कळला नव्हता . पण आज जेव्हा मी एक सूत्रसंचालक वक्ता व्याख्याता कथाकथन कुशल व्यक्ती म्हणून मिरवतेय सर्वच कौतुक करतात तेव्हा मात्र बाबाच आठवतात . आणि आठवतात त्यांनी आणून दिलेली मृत्युंजय, शहेनशहा, केल्याने देशाटन, श्यामची आई, अशी कितीतरी पुस्तके . त्यांनी दिलेला हा वाचन संस्कार मला खर्च समृद्ध करून गेला आणि माझी वाचन तृषा वाढवत गेला . आता हा वाचनाचा वसा जमेल तितका इतरांना देण हा माझा आनंद बनला आहे . धन्यवाद बाबा ! तुमचा आशीर्वाद नेहमी सोबत आहे !

मी भूतकाळात जाताना माझ्यासोबत इतिहास तज्ञांना घेऊन जाईल आणि भारतात जितक्या भाषा बोलल्या जातात तितक्या भाषा येणाऱ्या निवडक लोकांना घेऊन जाईल जेणेकरून भारतातल्या त्यावेळेच्या सगळ्या राजे लोकांशी बोलणं सोपं होईल इतिहासकार बाबा पुरंदरे शिवाजी महाराजांची संवाद साधतील त्यात बरोबर बाकीच्या राज्यांना ज्यांचे त्यांची इतिहासकार समजून सांगतील . भारताचा इतिहास तर आपल्याला माहितीच आहे. त्या वेळेच्या भारताच्या सगळ्या सीमांवर कडक बंदोबस्त ठेवावा असं सगळ्या राज्यांना सांगेन . शत्रुला घुसायला अजिबात वाव मिळणार नाही एवढी भक्कम सुरक्षा करण्यात येईल . प्रत्येक राजाला त्यांच्यावर येणाऱ्या संकटाची जाणीव करून देईन,सगळे जर एकजूट राहिले तर परकीय आक्रमण परतवून लावू शकतो हे जितका समजून सांगता येईल तितका सांगणार सगळ्यांनी ऐकलं तर ठीक नाहीतर यायचं परत पण येण्याआधी शिवाजीमहाराजांना भेटून यायचं मी तर स्वतःहून पुढे जाऊन बोलणार नमस्कार महाराज पाया पडतो आशीर्वाद द्या . सगळ्यांना भेटून झाल्यावर परत येण्याआधी सगळ्या राजांना त्यांचा इतिहास काय असणार आहे आधीच कळण्यासाठी प्रत्येकाला ज्याची त्याची कादंबरी येणार. आता काय घडवायचं आणि काय करायचं त्यांचं ते बघतील एकजूट राहिले तर भारताला कधीच गुलामगिरी करावी लागणार नाही . आम्ही एवढी सांगून पण आपापसात भांडत बसले तर मग बसा बोंबलत नाहीतर सगळ्यांचा इतिहास आपल्याला माहित आहे. करायचा अभ्यास व्हायचं पास झाल. खर सांगू का बाकीचे काय विचार करतील मला माहीत नाही पण जेव्हा भारतावर परकीय आक्रमणांची सुरुवात झाली होती तेव्हाच खरं तर सगळे एकत्र यायला पाहिजे होते . भारताकडे काय नव्हतं संस्कृती होती शून्याचा शोध पण भारतातच लागला . चार वेद होते भक्ती होती भाव होता त्याकाळी तंत्रज्ञान नव्हते पण दूर देशाहून कोणी आला तर त्याचं स्वागत होतं असे एकंदर म्हटलं तर भारतासारखा देश आख्ख्या पृथ्वीवर नव्हता अजुनही वेळ गेली नाही कचऱ्याचे व्यवस्थापन करून प्लास्टिकचा वापर टाळू शकतो चांगलंच करायचं म्हटलं तर करण्यासारखं खूप काही आहे सगळ्यांनी ठरवलंच आहे आपला भागल की बाकीच्यांचे झालं काय देणंघेणं आहे तापमान का वाढतंय लोक आजारी का पडतात पूर्वी इतके भयानक आजार होते का मान्य आहे की मेडिकल मध्ये खूप क्रांती झाली आहे पण आज पण शहरातली अर्ध्याच्या वर लोक गोळ्यावर जगत आहेत. गावाकडं ताजी हवा माती सगळं सकस आहे. हे जाणवतं म्हणून लिहिलंय .

नवीन वर्ष होते , नवी जागा होती, नवी माणसे होती आणिसर्वच काही नवीन होते. त्यात माझे नवीन वर्ष नवे शिक्षक नवे विषय मी पहिल्यांदाच एवढा लांबचा प्रवास केला तेही एकटी त्यात कळाले की सर्वकाही फक्त ची कल्पना असते डोक्याची कल्पना असते . केले तर सोपे किंवा नाही केले तर कठीण . हा सर्व मनाचा खेळ असतो . मी पहिल्यांदाच कॉलेजमध्ये आले होते . पहिलाच दिवस होता . सर्वी नवी माणसे, नवे चेहरे व शिक्षकही नवीन . ,पहिला दिवस तर असाच दिवस गेला . सर्वांशी ओळख नाही झाली परंतु त्यांचे स्वभाव कळू लागले .काही मैत्रिणी बनल्या . दुसऱ्या दिवशी मात्र काय करू हे समजले नाही,फक्त एकच प्रश्न होता डोक्यात तो म्हणजे आता काय करायचे ??? , तुम्हाला वाटत असेल तर ते काय झाले असावे बरे, कि हा प्रश्न माझ्या मनात पडला. दुसऱ्या दिवशी झाले ते म्हणजे की मी जेव्हा कॉलेजमध्ये गेले दसऱ्यादिवशी पूर्ण वर्ग भरलेला होता विद्यार्थ्यांनी आणि एकाही व्यक्तीसाठी बसण्यास जागा नव्हती . मी काही जणांना विचले की त्यांच्या बाजूला एक जागा खाली आहे तर मी बसू का ??? तर त्यांचे उत्तर आले की ही जागा माझ्या मैत्रिणीची आहे तर बसू शकत नाही . हे गुण वाईट वाटले की आपल्याला जागाही नाही बसायला . आणि नवीन असल्याकारणाने मनात थोडासा न्यूनगंड होता . तो म्हणजे की आपण काही त्यांना बोललो उलट, तर ते काय विचार करतील.विचार करत मी वर्गाबाहेर आले तिथे एक मैत्रीण भेटली ती म्हणाली नको बसू. माझ्याकडे ही दुसरा पर्याय नव्हता तर मी तिचे म्हणणे ऐकले आणि तिच्याबरोबर बाहेर कॉलेजच्या आवारात बसले . असंच रोज व्हायचं आणि मी आणि ती बाहेर कॉलेजच्या बसायचो . महिन्याच्या शेवटी सरांनी आईला बोलवले व सांगितले की माझी हजेरी नाही आहेतेव्हा मी खरे खरे सर्व सांगितले की काय झाले . त्यानंतर मी कधीच तास सोडून बाहेर नाही गेले कारण सरांनी जागेची सोय केली . मग काय हळू हळू सर्वांबरोबर मिसळू लागली आणि हळूहळू माझ्यातला न्यूनगंड संपत आला . मी सर्वांशी मोकळेपणाने बोलू लागले . ह्या सर्व वेळी मला वाटत असेल कि हा न्यूनगंड काय ?? तर मित्रांनो मी तुम्हाला ,सांगू इच्छिते के हा तो न्यूनगंड जो मला घाबरवत होता आपण काही चुकीचे बोललो तर आपली फजिती होईल . या वर्षी हे शिकायला मिळाले मनात न्यूनगंड बाळगून काहीही मिळणार नाही ,तर थोडेसे धाडस करून त्याला संपवण्याचा प्रयत्न करावा आणि माझ्या वेळी माझ्या आईने मला तो संपण्यास मदत केली . व त्यानंतर मी कधीही

પ્રગતિ ભલે
ધીમી થાય.
પણ ઈમાનદારી રાખજો.
કારણકે, .
મન ગમતુ બધું મળી જાય તો
જીવવા ની શુ મજા..??
જીવવા માટે એકાદ કમી પણ
*જરુરી છે

રાત આખી જાગવા જેવી હતી,
એક વ્યક્તિ ચાહવા જેવી હતી.
માત્ર આંસુઓ જ જોયાં છે તમે,
આંખ એની વાંચવા જેવી હતી.....
જીંદગી કશું નહિ પણ ઈશ્વર એ બક્ષેલી યાત્રા છે
ક્યારેક સુખ તો ક્યારેક દુખ ભરેલી જાત્રા છે
મણાય એટલી માણી લેજો મિત્રો
કેમ કે જીંદગી તો જન્મ - મરણ વચ્ચે ની નાની વાર્તા છે.
"કેવી અજીબ વાત છે
ભગવાન તમારા ઘરે આવે
એ સૌને ગમે છે"
પણ ભગવાન એમના ઘરે બોલાવે
તો કોઈ ને ગમતુ નથી
જિંદગી તુ જેમ જેમ ઓછી થતી જાય છે
એમ એમ વધારે ગમતી જાય છે
આંખોમાં વસનારા જ રડાવી જાય છે...
દસ્તુર તો જુઓ આ દુનિયાનો,
પોતાના મો ચડાવી
બેઠા ને
પારકા હસાવી જાય
છે...
કયાં સમય છે
આપણી પાસે
જીવતા માણસ સાથે બેસવાનો,
આપણે તો માણસ મર્યા પછી જ "બેસવા"
જઈએ છીએ.
જિંદગી તુ જેમ જેમ ઓછી થતી જાય છે
એમ એમ વધારે ગમતી જાય છે!
