Alumni Session on

“Sports Analytics: Transforming Performance Through Data”

For All Computer Science Students - (AY 2026-27)

The Department of Computer Science is pleased to organize an Alumni Session on "Sports Analytics: Transforming Performance Through Data" for all B.Sc. Computer Science students.

The session will be conducted by our esteemed alumnus, **Mr. Aayush Shah** (*M.Sc. IT, Batch 2021–22*), who will share his experiences and insights into the rapidly evolving field of **Sports Analytics**. The session will introduce students to the applications of data analytics in sports, including performance evaluation, visualization, and strategic decision-making.

Details of the Session:

- **Date:** Tuesday, 11th August 2026
- **Time:** 10:00 AM
- **Venue:** Mini Auditorium, Room No. 706

Interested B.Sc. Computer Science students are expected to attend the session and actively participate. This is an excellent opportunity to interact with our alumnus and gain valuable insights into the exciting field of **Sports Analytics**.
