(Autonomous)

NMFC / DEP - 159 / August, 2026

20th August, 2026

Notice
(For FY B.Com (MS))

Students are hereby informed that the Department of Management Studies is organising a Peer Learning and Game-Based Learning Session titled **“From Theory to Action: Learning Management Through Games”** on **Tuesday, 25th August 2026 at 8:30 a.m. in Block No. 501.**

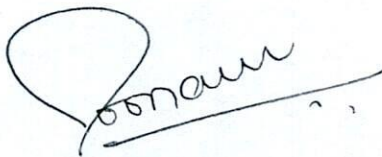

Students from TYB.Com (M S) will conduct an engaging and interactive session for FY students, wherein they will explain Henri Fayol's 14 Principles and Functions of Management through games and activity-based learning.

The session aims to make the concepts of Management interactive, experiential and easy to understand, while developing students' ability to relate theoretical concepts to practical situations.

The pedagogy will include peer teaching, games, group activities, demonstrations and experiential learning, enabling FY students to learn management concepts in an enjoyable and participative manner.

Students are requested to actively participate and take maximum benefit of the session.

Learn Management with Play, Participate and Lead!
