

Notice
(For Second and Third Year B.Com (M S))

Students are hereby informed that the Department of B.Com (M S) has organised a talk on **“Know What the Industry Demands- Your Future Starts Today”** scheduled on **Monday, 07th September, 2026 at 11:00 am in block no 506.**

Guest speaker is Mr Aditya Gupta an established and successful entrepreneur also an alumnus of our college graduated in Bachelor of Management Studies batch 2022-23

The programme aims to provide students with valuable insights into current industry expectations, emerging workplace trends, and the competencies required to succeed in today's dynamic business environment.

The session will help students understand the importance of employability skills, professional attitude, communication, adaptability, and continuous learning while bridging the gap between academic knowledge and industry requirements.

Interested students are requested to attend the session and gain the benefit.

(Vice- Principal and B.Com (M S) Coordinator)

(I/C Principal)
