Expert Talk on Digital Identity

All interested SYCS and TYCS students are hereby informed that an **Expert Talk** on

“Building Your Digital Identity for Career Growth & Professional Networking”

has been organized to help students build a **strong professional identity** and make the most of **career, internship, networking, and placement opportunities**.

The session will be delivered by an **eminent speaker, Mr. Hassan Phudinawala**, on **Thursday, 10th September 2026 at 9:30 a.m. in Room 706 (Mini Auditorium)**.

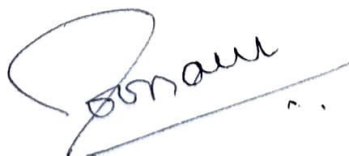

The session will provide valuable insights into **personal branding through showcasing technical talent, professional networking, highlighting other achievements and creating a strong digital presence** that can support students in their career journey.

Students are encouraged to attend the session and benefit from the **valuable guidance** shared by the speaker. They are also advised to **update their professional profiles before attending the session** so that they can make the session more interactive and useful.
