NOTICE

Plagiarism Detection Services

The Research Cell is pleased to announce that plagiarism detection services will be made available to faculty members and research scholars.

- **For Full-Time Faculty Members:** Two plagiarism checks per academic year will be provided free of cost. Thereafter, a fee of ₹200 per paper will be charged.
- **For Research Scholars of the Centre:** There will be no limit on the number of plagiarism checks, and the service will be provided without any additional charges.

Procedure for Availing the Service

1. **Submission:** The research paper/article should be emailed to **nmflibrary@nirmala.edu.in** and **principal@nirmala.edu.in** in both Word and PDF formats. The plagiarism checking process will commence only after approval from the Principal Madam.
2. **Plagiarism Check:** The plagiarism check will be conducted by Mr. Ravindra Pawar, Librarian.
3. **Report Submission:** The plagiarism report will be emailed to the concerned faculty member or research scholar within **two working days**.
4. **Rechecking:** If any plagiarised content is identified, the paper may be resubmitted for rechecking without any additional charges.

The Research Cell encourages all faculty members and research scholars to make use of this facility to ensure the originality and academic integrity of their research work.
