ABOUT THE INSTITUTE

Established in 2003, Nirmala Memorial Foundation College of Commerce and Science (Autonomous) is a progressive institution recognized for its commitment to academic excellence and holistic education. The college is re-accredited by **NAAC Re-accredited, ISO 9001:2015 certified**, and **recognized under Sections 2(f) and 12(B) of the UGC Act**, reflecting its adherence to nationally recognized standards of quality in higher education.

Located in **Kandivali (East)**, Mumbai, the institution serves as a vibrant center of learning for students across the western suburbs and beyond. Since its inception, the college has steadily grown into a multidisciplinary academic hub offering a wide spectrum of **undergraduate and postgraduate programmes in Commerce, Business Management, Media, Information Technology, and Science**, designed to equip learners with industry-relevant knowledge and professional competencies.

The college operates under the esteemed **Nirmala Memorial Foundation, established in 1984** by Late Shri Thakorbhai Desai, a **State Awardee for**

Best Teacher. The foundation's enduring mission has been to provide accessible, value-based and quality education from school to postgraduate levels, empowering generations of learners to achieve personal and professional excellence.

With **autonomous academic status**, the institution now enjoys greater flexibility in curriculum design, assessment practices, and innovative pedagogy, enabling it to align education with emerging industry needs and global academic standards. The college fosters a dynamic learning ecosystem through research initiatives, skill development programs, community engagement, sports, cultural activities, and leadership opportunities, ensuring the holistic development of every student.

Guided by a dedicated faculty and a progressive academic vision, Nirmala Memorial Foundation College of Commerce and Science continues to nurture competent professionals, ethical leaders, and socially responsible citizens, contributing meaningfully to society and the nation's development.

EVERY SUNSET PAINTS THE SKY
WITH ENDLESS POSSIBILITIES.

VISION

To engage, inspire and empower young minds through excellent education opportunities which are responsive to the needs of the society.

MISSION

- To engage learners through holistic education which inspires critical thinking, innovation and research.
- To develop leadership skills of learners by fostering their confidence, motivation and facilitating emotional, interpersonal and social skills.
- To collaborate with industries for equipping learners with industry-relevant knowledge, skills and attitude.
- To sensitize learners towards social inclusion, human rights, gender and environmental issues.

EXCELLENCE

JOURNEY OF

2026

- Bachelor of Science (Artificial Intelligence and Machine Learning)
- Advanced Diploma In Cyber Security Management (Approved By MSBTE)
- Bachelor of Commerce (Financial Markets) - with Certified Financial Planner (CFP)
- Master of Commerce (Accounting and Finance)

2025

Granted Autonomous Status

2025

Introduction of B.Sc. Data Science Program

2024

Reaccreditation by NAAC with B++,
Implementation of NEP

2022

Approved under Section 2 (f) and 12 (B) under
UGC Act 1956

2021

Recognised as official Local Chapter of Swayam
- NPTEL

2021

ISO 9001:2015 Certification by TUV Nord

2018

Recipient of India's Educational Excellence Award

2018

Introduction of Research Center in the faculty
of Commerce for Business Policy and
Administration

2017

NAAC Accredited with B++ (First Cycle)

2013

Introduction of BAMMC Program

2010

Introduction of M.Sc. IT Program

2010

Introduction of M.Com Program

2008

Introduction of B.M.S & B.Sc. CS Program

2007

Introduction of B.Com(A & F) & B.Sc. IT Program

2003

Introduction of B.Com Program

ACCOLADES

WHERE TALENT THRIVES AND EXCELLENCE GETS RECOGNIZED.

PROGRAMS OFFERED

NEW PROGRAMS

Bachelor of Science
(Artificial Intelligence and Machine Learning)
B.Sc. (AI & ML)

Advanced Diploma in
Cyber Security Management
(Approved By MSBTE)
Conducted by Nirmala Technical Institute

Bachelor of Commerce
(Financial Markets) - with Certified Financial
Planner (CFP) | B.Com (FM) - CFP

Master of Commerce
(Accounting and Finance)

PROGRAMS OFFERED

Undergraduate Programs

Bachelor of Commerce
(B.Com)

Bachelor of Commerce
(Accounting and Finance)
(B.Com (A&F))

Bachelor of Commerce
(Management Studies)
(B.Com (M.S))

Bachelor of Arts in Multimedia and
Mass Communication
(BAMMC)

Bachelor of Science
(Information Technology) (B.Sc.IT)

Bachelor of Science
(Computer Science) (B.Sc. CS)

Bachelor of Science
(Data Science) (B.Sc. DS)

POSTGRADUATE PROGRAMS

Master of Commerce
(Advanced Accountancy) (M.Com)

Master of Commerce
(Business Management) (M.Com)

DOCTORAL PROGRAM

Ph.D. in Commerce
(Business Policy and Administration)

ELIGIBILITY

BACHELOR OF COMMERCE (B.COM)

A candidate for being eligible for admission to the three year degree course leading to the Bachelor of Commerce must have passed the Higher Secondary School Certificate (Std. XII) examination conducted by the different Divisional Boards of the Maharashtra State Board of Secondary and Higher Secondary Education.

- A candidate for being eligible to the degree course o Bachelor of Science in Science should have passed XII standard examination of the Maharashtra Board of Higher Secondary Education or its equivalent in Arts/Science/Commerce/MCVC with Mathematics and/or Statistics as one of the subjects (OR)
- A candidate who has completed Diploma in IT/ CS/ Electrical/ Electronics/ Mechanical/ Civil/ Electronics and Telecommunication/ Instrumentation and/or allied branches from MSBTE or equivalent board (OR)
- A candidate for being eligible to the degree course, Bachelor of Science in Data Science should have passed XII standard examination of the Maharashtra Board of Higher Secondary Education or its equivalent in Arts/ Science/ Commerce/MCVC without Mathematics and/or Statistics has to undergo a bridge course of 30 hours in Mathematics and/or Statistics

BACHELOR OF SCIENCE (ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING) B. Sc. (AI & ML)

A candidate for being eligible for admission to the B.Sc. Artificial Intelligence and Machine Learning (AI & ML) programme must have passed the Higher Secondary School Certificate (HSC) Examination (Std. XII) in Science stream conducted by the Maharashtra State Board of Secondary and Higher Secondary Education or an examination recognized as equivalent thereto, with Mathematics as a compulsory subject.

Candidates who have passed a Diploma in Engineering or Technology, recognized by the Board of Technical Education, Maharashtra State or an equivalent authority, shall also be eligible for admission to the First Year of the programme.

ADVANCED DIPLOMA (CYBER SECURITY MANAGEMENT) MSBTE APPROVED

A candidate for being eligible for admission to the Advanced Diploma in Cyber Security Management programme must have passed Engineering Diploma / Engineering Degree / B.Sc. in any stream / Bachelor's Degree in Computer allied streams from any recognized Statutory University or Board,

MASTER OF COMMERCE (ACCOUNTING AND FINANCE) M.COM (A&F)

- Candidates must possess a 3-year bachelor's degree in Commerce and Management B.Com, BMS, B.Com (A&F) or B.Com (F M) from a recognized university.

Admission is typically based on merit from the graduation degree and a minimum percentage requirement is 45 percent

MASTER OF COMMERCE (ADVANCED ACCOUNTANCY) M.COM

- Candidates must possess a 3-year bachelor's degree in Commerce and Management B.Com, BMS, B.Com (A & F) or B.Com (F M) from a recognized university.

MASTER OF COMMERCE (BUSINESS MANAGEMENT) M.COM

- Candidates must possess a 3-year bachelor's degree in Commerce and Management B.Com, BMS, B.Com (A & F) or B.Com (F M) from a recognized university.

NATIONAL EDUCATION POLICY (NEP) 2020

In alignment with the transformative vision of the National Education Policy (NEP) 2020, Nirmala Memorial Foundation College of Commerce and Science (Autonomous) is committed to providing a holistic, flexible, and multidisciplinary learning environment that prepares students for the demands of the 21st century. NEP 2020 emphasises student-centric education that fosters critical thinking, creativity, innovation, and experiential learning.

In accordance with the policy framework, the academic structure of the college reflects flexibility and choice through a multidisciplinary curriculum. Undergraduate programmes are designed with **Major and Minor specialisations**, enabling students to pursue in-depth study in their chosen discipline while also exploring subjects from other fields. This approach encourages broader academic exposure and helps students develop diverse competencies aligned with evolving career opportunities.

The curriculum also integrates **Vocational Skill Courses (VSC)** and **Value Education Courses (VEC), On-the-Job Training (OJT)**, which aim to strengthen practical knowledge, professional skills, and ethical awareness among students. These courses support the development of employability skills, life skills, and socially responsible attitudes, ensuring that education extends beyond theoretical learning.

Students are encouraged to participate in internships, research projects, industry interactions, and community engagement activities that enhance real-world competence and experiential learning.

Through the effective implementation of NEP 2020, the college strives to nurture well-rounded individuals equipped with knowledge, skills, and values. The institution remains dedicated to empowering students to become responsible citizens and professionals who can contribute meaningfully to society and the global knowledge economy.

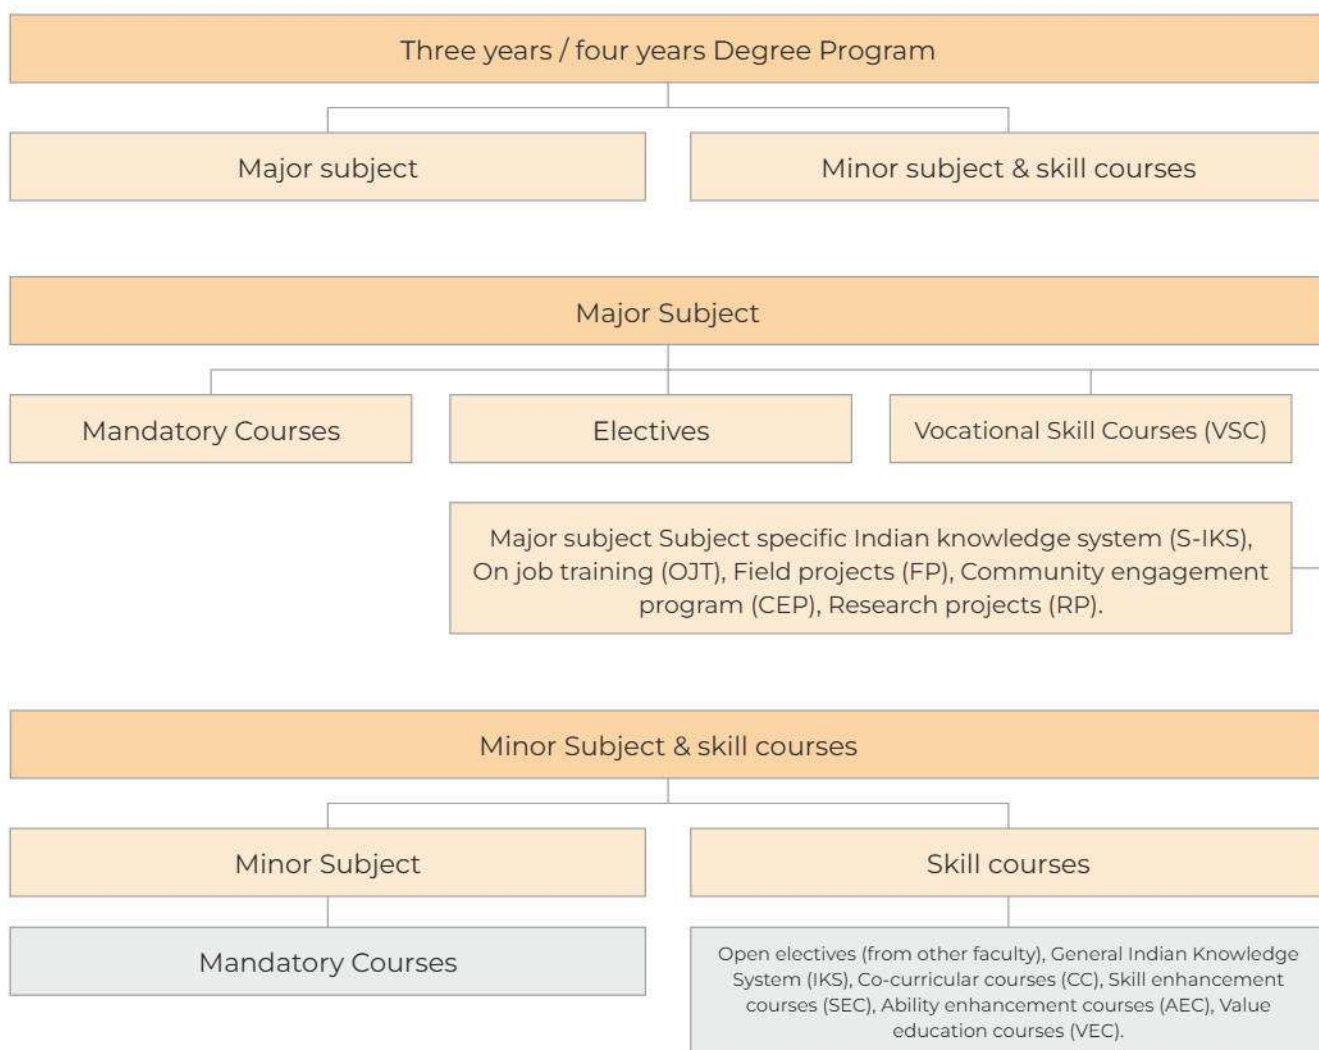

Under the Department/Subject Specific Core (DSC) courses, learners must select one Major subject from the subjects offered by the college at the time of admission. The DSC framework facilitates focused specialisation while maintaining a multidisciplinary approach.

During the three-year or four-year undergraduate degree programme, each learner is required to complete the following components:

- Major Subject
- Minor Subject
- Skill Courses

as specified in the curriculum structure.

The Credit Structure for different levels under the Three/ Four-year UG Program with multiple entry and multiple exit options are as given below:

Level	Academic Year	Qualification	Total Credits Required
4.5	First Year	Undergraduate Certificate	44
5.0	Second Year	Undergraduate Diploma	88
5.5	Third Year	Bachelor's Degree (3 Year)	132
6.0	Fourth Year	Bachelor's Degree (Honours)	172
6.0	Fourth Year	Bachelor's Degree (Honours with Research)	172

The New Reality: India's Digital Transformation

The Indian marketing landscape is evolving faster than in major economies. India is not just expanding in the digital ecosystem. It's leading it. By 2025, India will contribute to nearly 40% of global sales, with the digital economy projected to hit \$1.1 trillion. This isn't incremental change; it's exponential transformation.

Under Digital India initiative
Leveraging digital technology
Connected via online
Supply chain
Marketing teams must evolve from traditional to digital to remain relevant in the digital ecosystem. This requires the Chief Marketing Officer (CMO) to have the Chief Knowledge of Customer Intelligence, understanding data, trends, and to build a customer-centric business at scale.
