

5<sup>th</sup> August, 2022

**PLACEMENT CELL**

**For Third Year Batch 2022**

**B.COM, BMS, BAF, BAMMC AND M.COM**

Nirmala Memorial Foundation College of Commerce and Science is organising a **seminar on “Soft Skill Training For Interviews”** on **Wednesday, 10th August, 2022 at 11.30 am** by TechnoServe in **Block no 705**.

TechnoServe's **Campus to Corporate Careers (C2C)** Program provides final year students, **interactive blend of skills training, career counseling and corporate linkages** to develop their skills and build agency over their careers through hands-on.

The program unlocks the economic potential of these young people by helping them kick start their careers in the formal sector, ultimately leading to improved family incomes.

**It is done by providing soft skills training in personality development, communication readiness and career and work readiness.**

**Technoserve provides the job placement after completing the above training programmes.**

Please find attached some material that will give you detailed information about our program:

1. Program proposal for College Partners: Attached

2. Program
