<u>**PLACEMENT NOTICE**</u>

FOR FRESH GRADUATES AND THIRD YEAR STUDENTS OF ALL PROGRAMS

<u>SUPER 20</u>

SUPER 20 program (Skill Upgrade Program for Earnings & Respect), which is an initiative by **Work with Dignity Foundation®** (Not-for-Profit foundation). This program is meant for underprivileged, yet deserving students who will be **trained** in technology and made **job-ready** to aspire for a better life. This involves a combination of learning coding skills, getting the right mentoring as well as working on real-time projects to significantly improve their **employability.**

Who Can Apply :

- Students who have completed their graduation or are in the final year of their education (any)
- Students who do not have either the right financial or socio-economic support but are keen on making a career in technology.
- Students who have the right aptitude & attitude & keen to learn.

Process:

- Fill the attached form
- Online aptitude test
- Project Submission
- Selection Process Interview
- Orientation of Selected candidates
- Program starts for finalists
- Please note that the participants **do not have to pay** anything at any stage of the Program.

How To Apply :
Fill the below given link on or before 16th December, 2023 latest by 12 noon.
