Creating Cyber Security Awareness on WWW Day Celebration

We are excited to announce that Nirmala Memorial Foundation College of Commerce & Science will be celebrating World Wide Web (WWW) Day by organizing a Cyber Security Awareness on August 1, 2024. This event aims to educate and create awareness among students about the importance of cyber security in our increasingly digital world.
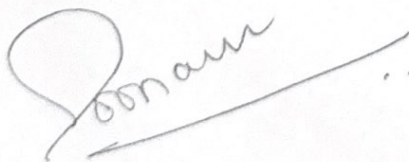

The event will feature class to class promotions led by students who will create awareness about cyber security among other students. This is an excellent opportunity for all students to enhance their knowledge about cyber threats and learn how to protect themselves on the internet.
