

NOTICE

Sneha Milan

The DLLE Unit is pleased to inform you that Sneha Milan, the exclusive exhibition-cum-sale in which specially abled individuals sell their handcrafted products is being held on Tuesday, 01 October, 2024 in the college.

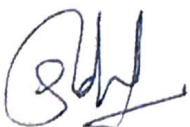

Sneha Milan is a unique platform for the tremendously talented entrepreneurs with special needs to showcase and sell a wide array of exquisite, reasonably priced creations at the campus.

A splendid collection of decorative items for festivals, artefacts, daily essentials like bags, perfumes, accessories, food items and more will be up for sale at the event.

All you have to do is shop to your heart's content at Nirmala Hall (main auditorium) on 01st October between 9.00 a.m. and 4.00 p.m.

Major festivals like Navratri, Dussehra and Diwali are just around the corner. Making purchases from the specially abled people will let you make a difference to those who need such opportunities and spread smiles.

Invite your family and everyone in your social circle to our college for Sneha Milan as all proceeds go to the gifted specially abled participants. Let us maximise support for those with special needs and make this initiative a benchmark for inclusivity.
