## Seminar on

## Cyber Pathways: From Crime Awareness to Career Readiness

### For T.Y.B.Sc C.S-Semester VI - (AY 2025-26)

Students of **T.Y. B.Sc. Computer Science** are hereby informed that a special session titled **"Cyber Pathways: From Crime Awareness to Career Readiness"** has been organised on **Monday, 22th December 2025 at 11:30 a.m.** in the **Mini Auditorium (706).** The session will cover:

- Understanding Cyber Crimes
- Fundamentals of IT Security
- Career Opportunities in Cyber Security

The session will be conducted by **XecureMind Labs,** an organisation dedicated to building skilled cybersecurity professionals, having successfully trained and placed hundreds of learners across reputed companies.

The session will be led by:

- **Ms. Deepika Jindal,** Head & Chief IT Security Analyst – MobiTrail
- **Mr. Swapnil Thakur,** Head – Operations, MobiTrail
- **Mr. Mahendra Sharma,** Head – Academic Training, XecureMind Labs

**Important:**
*This session is exclusively for registered T.Y. B.Sc. CS students. The registration link will be shared in the Google Classroom.*

Dr. Bhakti Chaudhari          Dr. Poonam Kakkad          Dr. Swiddle D'cunha

Co-ordinator B.Sc.Cs          Vice-Principal             I/C Principal
